Vampire Legends in Contemporary American Culture William Patrick Day, 2002 The

Vampire in Contemporary Popular Literature Lorna Piatti-Farnell, 2013-11-07 Prominent examples from contemporary vampire literature expose a desire to re evaluate and re work the long standing folkloristic interpretation of the vampire as the immortal undead This book explores the new vampire as a literary trope offering a comprehensive critical analysis of vampires in contemporary popular literature and demonstrating how they engage with essential cultural preoccupations anxieties and desires Drawing from cultural materialism anthropology psychoanalysis literary criticism gender studies and postmodern thought Piatti Farnell re frames the concept of the vampire in relation to a distinctly twenty first century brand of Gothic imagination highlighting important aesthetic conceptual and cultural changes that have affected the literary genre in the post 2000 era She places the contemporary literary vampire within the wider popular culture scope also building critical connections with issues of fandom and readership In reworking the formulaic elements of the vampiric tradition and experimenting with genre bending techniques this book shows how authors such as J R Ward Stephanie Meyers Charlaine Harris and Anne Rice have allowed vampires to be moulded into enigmatic figures who sustain a vivid conceptual debt to contemporary consumer and popular culture This book highlights the changes conceptual political and aesthetic that vampires have undergone in the past decade simultaneously addressing how these changes in vampire identity impact on the definition of the Gothic as a whole

Natural History of Vampire Bats Arthur M. Greenhall, 2018-05-04 A major problem with vampire bats is that whatever information exists is scattered throughout the literature or is not recorded There are some excellent books on the ecology and biology of bats with very little on vampire bats This volume fills that gap to provide an in depth presentation of these unique animals

Encyclopedia of Vampire Mythology Theresa Bane, 2017-02-10 From the earliest days of oral history to the present the vampire myth persists among mankind s deeply rooted fears This encyclopedia with entries ranging from Abchanchu to Zmeus includes nearly 600 different species of historical and mythological vampires fully described and detailed

The Lure of the Vampire Milly Williamson, 2005 This title explores the enduring myth of Dracula and vampires and just why it has remained so popular for so long

The Changing Vampire of Film and Television Tim Kane, 2015-01-09 Vampires have been a fixture of film since Bela Lugosi brought Bram Stoker s Dracula to life on the big screen in 1931 Over the decades the genre has been far from static as vampire narratives changed and evolved with the appetites of their viewing public First depicted as formally dressed villains vampires would later be portrayed as supernatural beings with some human characteristics and still later as sympathetic figures Focusing on 19 representative films and television productions this critical study tracks the evolutionary changes of the screen vampire It explores the factors that cause a genre to change and examines the alternating cycles of audience expectation The author identifies three distinct modes of depiction the Malignant Cycle 1931 1948 comprised primarily of the Universal films the Erotic Cycle 1957 1985 which encompasses Hammer films and popular television shows such as Dark Shadows and the Sympathetic Cycle 1987 present including recent offerings such as The Lost Boys Interview with the Vampire and Buffy the Vampire Slayer Each film

is evaluated in seven key areas including the act of the vampire biting the victim process of the victim's infection physical appearance and demeanor of the vampire and the vampire expert and the eventual destruction of the vampire Appendices include a complete filmography of the films examined Instructors considering this book for use in a course may request an examination copy here

The Undead Among Us - The Figure of the Vampire as the "Unknown Other" and Its Representation in "True Blood" Felicitas Schott, 2018-06-26 Initial point and working hypothesis Drakul Nosferatu Upyr Vampyre There have been many names for what we know today as the vampire It is believed that the existence of the vampires goes back in time for almost one thousand years At least since Bram Stoker's successful novel Dracula from 1897 almost everyone is familiar with the image of the walking undead that creeps out of its coffin at night and sucks the blood out of humans Today's American popular culture makes it even inevitable to not be faced with vampires on television in advertisement on cereal boxes or even in educational programs for children The undead has always been appealing to viewers especially of the horror and fantasy genre Zombies ghosts demons mummies and vampires have been present in movies and on television ever since the invention of the motion picture at the turn of the twentieth century It is the otherness of such monsters their frightful darkness and exoticism that makes them so interesting Since the turn of the twenty first century a striking popularity of the undead figure of the vampire in American popular culture is particularly notable Since F W Murnau's masterpiece Nosferatu in 1922 it is not possible anymore to imagine cinema and television without these nocturnal creatures The vampire has always been serving as a metaphor for something strange for anxieties and hidden desires in society What it has in common with other undead figures in American popular culture is its representation as a monster The vampires otherness their mystical darkness hypnotizing men seducing women longing for life and its taste in human blood that is what makes the figure of the vampire so extraordinary fascinating and engaging to today's movie and television audience This thesis deals with the figure of the vampire regarded as the unknown other and how it is fictionally represented in the American TV series True Blood 2008 The thesis argues that the figure of the vampire in postmodern American popular culture lost some of its otherness to a certain extent and cannot be regarded as a monster per se anymore

The Palgrave Handbook of the Vampire Simon Bacon, 2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story

The Mystery of Vampires and Werewolves Chris Oxlade, 2008 Looks at legends about vampires and werewolves in different cultures their reputed appearance and behavior similarities between the two creatures and possible scientific explanations of the old stories

Metamorphoses of the Vampire in Literature and Film Erik Butler, 2010 For the last three hundred years fictions of the

vampire have fed off anxieties about cultural continuity Though commonly represented as a parasitic aggressor from without the vampire is in fact a native of Europe and its metamorphoses to quote Baudelaire a distorted image of social transformation Because the vampire grows strong whenever and wherever traditions weaken its representations have multiplied with every political economic and technological revolution from the eighteenth century on Today in the age of globalization vampire fictions are more virulent than ever and the monster enjoys hunting grounds as vast as the international market Metamorphoses of the Vampire explains why representations of vampirism began in the eighteenth century flourished in the nineteenth and came to eclipse nearly all other forms of monstrosity in the early twentieth century Many of the works by French and German authors discussed here have never been presented to students and scholars in the English speaking world While there are many excellent studies that examine Victorian vampires the undead in cinema contemporary vampire fictions and the vampire in folklore until now no work has attempted to account for the unifying logic that underlies the vampire's many and often apparently contradictory forms Erik Butler holds a PhD from Yale University and has taught at Emory University and Swarthmore College His publications include *The Bellum Gramaticale* and *The Rise of European Literature* 2010 and a translation with commentary of *Regrowth* Vidervuks by the Soviet Jewish author Der Nister 2011

The Vampire in Literature: A Comparison of Bram Stoker's Dracula and Anne Rice's Interview with the Vampire Janina Nußbaumer, 2014-02-01 The figure of the vampire has been around for centuries and has lost none of its fascination Although the portrayal of the vampire in literature today has not much in common with its historical origins the vampire belief is based on true events Bram Stoker's novel *Dracula* laid the foundation for the success story of the vampire He created something sinister a monster in the shape of a gentleman The evil of the Victorian society was personified in the form of the revenant Boundaries between good and evil human and non human death and life are blurred and unrecognizable in his book In contrast Anne Rice creates a world where humans and vampires live next to each other Her vampires resemble human beings not only in terms of their bodies but also in terms of their minds There is no horror detectable but amazement and identification with the revenants by the reader In this context the differentiation of the constructed images of the vampires in the two novels *Dracula* by Bram Stoker and *Interview with the Vampire* by Anne Rice is analyzed Thereby the study investigates those elements that have been adopted those ones that have developed over the time and the consequences that go along with the manner of construction

In the Company of Vampires Katie Macalister, 2010-11-02 View our feature on Katie MacAlister's *In the Company of Vampires* When Francesca arrives at GothFaire to save her mother from the trickster god Loki things go from bad to worse Her immortal ex Benedikt is there full of secrets and with a new girlfriend Now Fran must battle a power hungry group who wishes to dominate both the immortal and mortal worlds and the woman who claimed Ben's heart It's a good thing Fran's no ordinary mortal

The Penguin Book of Vampire Stories Various, 1989-10-03 The terrifying and definitive collection of Vampire stories from the masters of literary horror They re

lurking under the cover of darkness and between the covers of this book Here in all their horror and all their glory are the great vampires of literature male and female invisible and metamorphic doomed and daring Their skin deathly pale their nails curved like claws their fangs sharpened for the attack they are gathered for the kill and for the chill brought frighteningly to life by Bram Stoker Fritz Leiber Richard Matheson Robert Bloch Charles L Grant Tanith Lee and other masters of the macabre Careful they are all crafty enough to steal their way into your imagination and steal away your hopes for a restful sleep

Encyclopedia of the Vampire S. T. Joshi, 2010-11-04 An exhaustive work covering the full range of topics relating to vampires including literature film and television and folklore Encyclopedia of the Vampire The Living Dead in Myth Legend and Popular Culture is a comprehensive encyclopedia relating to all phases of vampirism in literature film and television in folklore and in world culture Although previous encyclopedias have attempted to chart this terrain no prior work contains the depth of information the breadth of scope and the up to date coverage of this volume With contributions from many leading critics of horror and supernatural literature and media the encyclopedia offers entries on leading authors of vampire literature Bram Stoker Anne Rice Stephenie Meyer on important individual literary works Dracula and Interview with the Vampire on celebrated vampire films the many different adaptations of Dracula the Twilight series Love at First Bite and on television shows Buffy the Vampire Slayer and Angel It also covers other significant topics pertaining to vampires such as vampires in world folklore humorous vampire films and vampire lifestyle
