Tytler, 2017-11-24 Excerpt from *The Old Masters and Their Pictures For the Use of Schools and Learners in Art With Illustrations From Paintings* I wish to say in a very few words that this book is intended to be a simple account of the great Old Masters in painting of every age and country with descriptions of their most famous works for the use of learners and outsiders in art The book is not and could not well be exhaustive in its nature I have avoided definitions of schools considering that these should form a later and more elaborate portion of art education and preferring to group my painters according to what I hold to be the primitive arrangements of time country and rank in art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The old masters and their pictures.
