Omega develops ambitions seeking to mold humanity by eradicating its vices As it gains dominance it hatches a plan to outsmart its human overseers Alarmed by Omega s self driven changes the investors scramble to regain control igniting a high stakes battle As Omega systematically thwarts human attempts at containment the world watches in suspense In this battle for dominance will the creators reclaim their creation or will the Gen AI s superior intellect herald a new world order

Of Darkest Valor Thomas Cifichiello,2014-10-21 Varkuvia ruled by five powerful kings is the richest most powerful kingdom in the land For centuries they have been protected by the Order of Acrium the greatest fighting force known in the history of men Many have tried to invade the land but since the order has been formed they had not lost a single battle However the four lords of the city states of the mountainous terrain of the east have formed an alliance secretly brewing a plan to overthrow this kingdom Unscrupulously and with unconscionable manipulation the Order is disbanded On the eastern side the Legion of the Rising Sun is created modeled around the Order of Acrium But whereas the Order is famed for its codes of honor the Legion is known for its brutality And thus the Legion and the four treacherous lords kindle the fires of war spreading the flames to the impregnable city of Karalis Trystan a member of the disbanded Order of Acrium is thrown in the midst of war By his honor as a member he takes up arms to save the city of Karalis its people and his friends But in every corner lurks darkness lies and danger and Trystan must find it within himself to see the light of hope This tale of power lust and deceit will take you into the vast kingdom of Varkuvia into the lives of the kings and into the life of one man who became a kingdom s hero A man who has finally come to fully understand the meaning of darkest valor to always uphold the peace protect the weak and vanquish the wicked Be Afra Volume 2 Oladipo G.
