The Operas Of Michael Tippett Opera Guide 29

Anita Ganeri, Nicola Barber

The Operas Of Michael Tippett Opera Guide 29:

Operas of Michael Tippett Michael Tippett, 2018-01-01 Although it is impossible to trace any one particular theme running through the operas of Michael Tippett the libretti of his four operas are fascinating to compare The dense allusions of *The Midsummer Marriage* 1955 here annotated gave way to the classical formality of *King Priam* 1962 the psychoanalytical preoccupations of *The Knot Garden* 1970 hardly foreshadow the contemporary political commentary of *The Ice Break* 1977 Each work breaks new ground and provokes unexpected responses The libretti offer unique introductions to the music and throw a searching light on the direction of British theatre since 1945 Contents Operas contained in this volume *The Midsummer Marriage* *King Priam* *The Knot Garden* *The Ice Break* Introduction Meirion Bowen A Ritual of Renewal Paul Driver A Visionary Night John Lloyd Davies Music for an Epic Andrew Clements A Tempest of Our Time Meirion Bowen Stereotypes and Rebirth Leslie East *Performing Opera* Michael Ewans, 2016-02-25 In *Performing Opera A Practical Guide for Singers and Directors* Michael Ewans provides a detailed and practical workbook to performing many of the most commonly produced operas Drawing on examples from twenty four operas ranging in period from Gluck and Mozart to Britten and Tippett it illustrates exactly how opera functions as dramatic form Grounded in close analyses of performances of thirty scenes and five whole operas by first rate singers and celebrated directors *Performing Opera* provides readers with an appreciation of the unique challenges and skills required by performers and directors It will assist them in their own performance and equip them with detailed knowledge of works most commonly featured in the repertoire In the first part of the book the analysis progresses from scenes in which the singers are silent via arias and monologues duets and confrontations up to ensembles Wider issues are subsequently addressed encounters with offstage events encounters with the numinous characterization and the sense of inevitability in tragic opera **The Pre-history of 'The Midsummer Marriage'** Roger Savage, 2019-08-13 The Pre history of *The Midsummer Marriage* examines the early collaborative phase 1943 to 1946 in the making of Michael Tippett s first mature opera and charts the developments that grew out of that phase Drawing on a fascinating group of Tippett s sketchbooks and a lengthy sequence of his letters to Douglas Newton it helps construct a narrative of the Tippett Newton collaboration and provides insights into the devising of the opera s plot both in that early phase and in the phase from 1946 onwards when Tippett went on with the project alone The book asks who was Newton and what kind of collaboration did he have then cease to have with Tippett What were the origins of and shaping factors behind the original scenario and libretto drafts How far did the narrative and controlling concepts of *Midsummer Marriage* in its final form tally with and how far did they move away from those that had been set up in the years of the two men s collaboration the pre historic years The book will be of particular interest to scholars and researchers in opera studies and twentieth century music **The Nurse in History and Opera** Judith Barger, 2024-04-08 From Scarabea Artusa s old nurse in Francesco Mannelli s *La Maga Fuminata* 1638 Venice through the Canadian nursing sisters in Stephanie Martin s

Llandovery Castle 2018 Toronto over one hundred nurse characters appear in opera roles ranging from silent cast extra to principal singer The Nurse in History and Opera From Servant to Sister explores that role over the span of opera's existence Judith Barger examines the nurse character in opera within the sociohistorical context of her real life counterparts off stage the progression of the nurse from servant to sister both inside and outside the opera house is a commentary on how society has viewed its women The book then discusses textual and musical interactions between opera's nurses and other characters with attention to what the nurse's role contributes to opera in six categories identified as common to opera's nurses Comic Former Knowledgeable Motherly Scheming and Specialized When viewed through the lens of social history opera's nurse characters merit attention for the glimpse that they offer of a unique musical and dramatic journey from servant to sister and for the commentary that they offer on women's perceived place and status not only on the opera stage but in society as well View the author's website here Judith Barger Author Nurse Historian Music Scholar [Operas in English](#) Margaret R. Griffel, Adrienne Fried Block, 1999-10-30 Operas in English have a long rich and varied history encompassing everything from the English masques of the 17th century to today's crossover music dramas such as Harvey Milk and Rent This book covers in detail more than 3 500 English texted operas by composers including Purcell Handel Britten Bernstein and Musgrave Most were born in English speaking countries but the list also includes such composers as Weill his American stage works and Henze his operas with dual English German texts The work provides specific information not accessible in the usual sources such as premiere details plots characters and casts The work begins with an historical overview Many entries include scores librettos bibliographies and discographies Cross references four appendixes composers librettists authors and sources and a chronology and three indexes characters performers and general make this an exceptionally useful reference tool [A Dictionary-catalog of Modern British Composers: M-Z](#) Alan J. Poulton, 2000 This catalog of works organized alphabetically by composer details the compositions of fifty four modern British composers born between 1893 and 1923 Volume three covers composers from Elizabeth Maconchy to David Wynne Compositions are listed chronologically and include pertinent information about the performance year of composition music history first recordings and original manuscript location Concert music is listed separately from documentary and feature films and from music composed for radio television or stage As a tool for further research this catalog will appeal to soloists chamber musicians and orchestral players as well as to scholars of classical music A selective bibliography is included for each composer Each volume includes a title index organized by composer *The Full Score*, 1985 [Opera](#) Guy A. Marco, 2001 Opera is the only guide to the research writings on all aspects of opera This second edition presents 2 833 titles over 2 000 more than the first edition of books parts of books articles and dissertations with full bibliographic descriptions and critical annotations Users will find the core literature on the operas of 320 individual composers and details of operatic life in 43 countries All relevant works through to November 1999 have been considered covering more than fifteen years of literature since the first edition was published

Provided by publisher *American Book Publishing Record* ,1990 [The Operas of Michael Tippett](#) Michael Tippett,1985
 English National Opera Guides are ideal companions to the opera They provide stimulating introductory articles together
 with the complete text of each opera in English and the original where appropriate Although it is impossible to trace any one
 particular theme running through the operas of Michael Tippett the libretti of his four operas are fascinating to compare The
 dense allusions of *The Midsummer Marriage* 1955 here annotated gave way to the classical formality of *King Priam* 1962 the
 psycho analytical preoccupations of *The Knot Garden* 1970 hardly foreshadow the contemporary political commentary of *The*
Ice Break 1977 Each work breaks new ground and provokes unexpected responses The libretti offer unique introductions to
 the music They incidentally throw a searching light on the direction of British theatre since 1945 **A Shakespeare Music**
