Hitler Strikes Poland Alexander B. Rossino, 2003 Usually given short shrift in most histories of World War II Hitler's invasion of Poland was more than a series of opening salvos it was a testing ground for German brutalities to come This is a comprehensive study of the campaign including insights into its ideological underpinnings **The Hangman and His Wife** Nancy Dougherty, 2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler's Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author's in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler's Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his

seemingly hopeless job prospects as an untrained civilian during Germany's hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fiancée Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father's side. And we follow Heydrich's meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich's plans for the Jewish solution. And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty-eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann Göring and drank vintage wine with Albert Speer.

**Guarding the Fuhrer** Blaine Taylor, 2017-01-24

German leader Adolf Hitler 1889-1945 was one of the most controversial politicians and military commanders in all recorded history. As such his life was conspired against by all manner of enemies both foreign and domestic: German and Russian Communists, political and military opponents, rival Nazi leaders, and the intelligence services of the Allied powers among them the British SOE. Dozens of attempts were made on his life over the course of two decades including a bomb explosion in his own headquarters and yet he survived them all. This is the story of how he did so as told via the exciting sagas of Sepp Dietrich and his SS as well as of German government security leader Johann Rattenhuber and his Reich Security Service the RSD. Here we see the measures used to protect Hitler in public: his cars, planes, trains, homes, military headquarters scattered across conquered Europe and during personal appearances. Ironically of course in the end Hitler decided to take his own life in the infamous Berlin bunker but this is the story of how a man that so many people wanted dead managed to stay alive for so long in volatile circumstances.

**Holocaust Denial as an International Movement** Stephen E. Atkins, 2009-04-30 The end of World War II saw an emergence of Holocaust dissention that began in Europe and has since developed into an international movement with adherents in almost every country in the world At first this denial was fueled by the desire to rehabilitate Adolf Hitler and the Nazi regime in an effort to reestablish a neo Nazi state In the following years coupled with the renewal of anti Semitism this dissent has been used as a means of denying the legitimacy of the state of Israel Despite

these motivations the ultimate cause for concern is in the way this denial attracts its members by both challenging the existence of the Holocaust and the testimony of its witnesses By tracing the history causes and spread of Holocaust denial Atkins reveals the dangers this mindset poses to rational thinkers who become vulnerable to fringe ideas This book traces the state of the international Holocaust denial movement in the early 21st century grounding contemporary thought in the history of the movement Since Holocaust deniers have distorted the facts about this mass genocide Atkins discusses just what is known about the Holocaust from historical research conducted since World War II The role of negative racial genetics is explored in both Hitler s intellectual makeup and among the leaders of the German right wing including historians assessments of Hitler s anti-Semitism motivations and decision making Also provided is a roll call of Holocaust dissenters in countries such as the United States Germany France Great Britain Russia and Italy among many others By analyzing the arguments of leaders within this expanding dissention movement this book demonstrates how extremists build informational links that have wide ranging effects     The Columbia Guide to the Holocaust Donald L. Mineau, 2022-07-18 What made the Holocaust possible What does it mean from a moral viewpoint These two questions constitute the main focus of this book Through concepts borrowed mostly from systems theory an attempt is made at establishing a theoretical framework for a broad understanding of the genesis of the Holocaust More specifically the

relationships between ideology political power and genocide are discussed and the following topics are covered 1 the constitution and the historical evolution of the ideology of the Holocaust through the genesis of anti-Semitism the impact of the modern paradigms and the apparent peculiarities of Nazism 2 the emergence of powerful means of action designed for implementing the ideology in the context of totalitarianism 3 control and freedom as the basic parameters in a decision making process that went along with a diffuse Holocaust phase and generated mechanisms of extensive cooperation 4 the values and norms that made sense to the Nazis in relation to the Holocaust with a critical assessment of Nazi ethics insofar as it aimed at subverting the concept of evil and at destroying the self This book deals with four key dimensions of the Holocaust ideology power act and meaning
