Houdini, Tarzan, and the Perfect Man John F. Kasson, 2002-07-02 A remarkable new work from one of our premier historians In his exciting new book John F Kasson examines the signs of crisis in American life a century ago signs that new forces of modernity were affecting men s sense of who and what they really were When the Prussian born Eugene Sandow an international vaudeville star and bodybuilder toured the United States in the 1890s Florenz Ziegfeld cannily presented him as the Perfect Man representing both an ancient ideal of manhood and a modern commodity extolling self development and self fulfillment Then when Edgar Rice Burroughs s Tarzan swung down a vine into the public eye in 1912 the fantasy of a perfect white Anglo Saxon male was taken further escaping the confines of civilization but reasserting its values beating his chest and bellowing his triumph to the world With Harry Houdini the dream of escape was literally embodied in spectacular performances in which he triumphed over every kind of threat to masculine integrity bondage imprisonment insanity and death Kasson s liberally illustrated and persuasively argued study analyzes the themes linking these figures and places them in their rich historical and cultural context Concern with the white male body with exhibiting it and with the perils to it reached a climax in World War I he suggests and continues with us today

Lupoff, 2015-12-17 When unworldly fantasist H P Lovecraft was approached by crafty fanatic George Sylvester Viereck to write an American Mein Kampf the bait was almost irresistible If Lovecraft would lend his pen and his Anglo Saxon stock to the fascist cause Viereck would arrange the publication in proper book form of a volume of his stories hitherto scattered in pulp magazines Whilst the famous horror writer had some pretty obnoxious political opinions his friends didn t really believe he knew what deep waters he was getting
