The Origins Of World War I Witness History Series:

Special Bibliographic Series US Army Military History Research Collection,1977 World War I Rodney P. Carlisle,Joe H. Kirchberger,2009 Examines one of the most pivotal points in 20th century history exploring the social cultural military and political impacts of World War I on American society as well as the role the United States played in the conflict This volume discusses World War I s place in American history as the catalyst for World War II and the cold war The Era of World War II Roy S. Barnard,William Joseph Burns,Duane Ryan,US Army Military History Institute,1977 **American Book Publishing Record** ,2006 **Special Bibliography** ,1977 **The United States in World War I** James T.

Controvich,2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in The United States in World War I A Bibliographic Guide the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich s bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich s bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists The United States in World War I A Bibliographic Guide is an ideal research tool for students and scholars of World War I and American history **The Rise and Fall of the American Empire** Rocky M. Mirza,2007 Dr Mirza s unorthodox but refreshing look at the history of the US and its failure to plant true democracy at home or abroad goes a long way towards explaining its failed invasion of Iraq The Theme Immersion Compendium for Social Studies Teaching Maryann Murphy Manning,Gary L.

Manning,Roberta Long,1997 The Theme Immersion Compendium offers specific ideas for focusing students inquiries and practical clearly organized steps for exploring them **Europe on the Path to Self-Destruction** Jack L. Schwartzwald,2022-07-27 Between the years 1815 and 1945 Europe achieved unrivaled global dominance only to see it shattered by two world wars This frenetic rise and fall was attended by immense societal change In 1815 Europe remained largely agricultural and dependent upon horsepower By 1945 the power of the atom had been unleashed Two industrial revolutions occurred in the interim the first founded upon coal iron and steam the second upon oil steel electricity and internal combustion The implications for humanity were profound This concise yet comprehensive study is divided into three sections In section one the map of Europe emerges in its modern visage as unrestrained nationalist fervor gives rise to an assemblage of new nation states In section two the continent attains global hegemony as massive industrialization fuels a

mad scramble for colonial markets and raw materials In section three a cauldron of national ethnic and class hatreds spawn the rise of totalitarianism and the overthrow of European hegemony in two calamitous world wars By tracing the events and undercurrents of this vital period in European history this book offers trenchant insights for the lay reader and the student of history alike
