The Other Hollywood The Uncensored Oral History Of The Porn Film Industry:

The Other Hollywood Legs McNeil, Jennifer Osborne, Peter Pavia, 2005-02-15 As seen in Vanity Fair A rollicking funny raunchy and moving oral history of the adult film industry from Deep Throat through today As a recent New York Times Magazine cover story pointed out to average Americans the adult film industry is a 10 billion per year business It has infiltrated the American mainstream with its stars showing up as mainstream TV hosts making guest appearances in Hollywood feature films and gracing the CD covers and arms of rock stars and Hollywood actors alike But what most people don't know is how the porn industry got started with a 22 000 Mafia investment in a film called Deep Throat or how it mushroomed over the next quarter century despite efforts by politicians the FBI and others to bring it down *The Other Hollywood* tells that story through hundreds of interviews by the people who lived through it In the riveting oral history format that made his first book *Please Kill Me* one of the most memorable accounts of 1970s underground culture Legs McNeil now pulls back the grimy satin sheets on one of the most astounding success stories in the history of American business Careening back and forth between two groups the actresses directors and others who made the films and the shady underworld figures who financed them *The Other Hollywood* offers scores of never before told stories all in the voices of those who lived them Witty always compelling and ultimately moving *The Other Hollywood* is a Hollywood Babylon for today

The Other Hollywood Legs McNeil, Jennifer Osborne, Peter Pavia, 2009-06-02 A raucous and revealing oral history of the birth of the adult film industry *The Other Hollywood* peels back the candy coating to let the true story be told by the stars movie makers and other industry players who lived it And what a story it is Through hundreds of original interviews contemporary newspaper accounts police reports court testimony and more Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion dollar industry from its makeshift mob connected origins to the Internet age Along the way we encounter porn stars such as Linda Lovelace John Holmes Traci Lords and Savannah along with countless mainstream stars politicians FBI agents and more Epic hilarious and moving *The Other Hollywood* contributes to the porn industry the one thing missing in all previous accounts a vivid tragicomic irresistible humanity **Sex, Society, and the Making of Pornography**

Jeffrey Escoffier, 2021-02-12 Hardcore pornographic films combine fantasy and real sex to create a unique genre of entertainment Pornographic films are also historical documents that give us access to the sexual behavior and eroticism of different historical periods This book shows how the making of pornographic films is a social process that draws on the fantasies sexual scripts and sexual identities of performers writers directors and editors to produce sexually exciting videos and movies Yet hardcore pornographic films have also created a body of knowledge that constitutes in this digital age an enormous archive of sexual fantasies that serve as both a form of sex education and self help guides *Sex Society and the Making of Pornography* focuses on sex and what can be learned about it from pornographic representations *Smutty Little Movies* Peter Alilunas, 2016-08-23 In the late 1970s the adult film industry began the transition from celluloid to home video

Smutty Little Movies traces this change and examines the cultural and legal efforts to regulate contain limit or eradicate pornography Drawing on a wide variety of materials Smutty Little Movies de centers the film text in favor of industry histories and contexts In so doing the book argues that the struggles to contain and regulate pleasure represent a primary starting point for situating adult video s place in a larger history not just of pornography but of media history as a whole

Grindhouse Austin Fisher, Johnny Walker, 2016-09-22 The pervasive image of New York's 42nd Street as a hub of sensational thrills vice and excess is from where grindhouse cinema the focus of this volume stemmed It is arguably an image that has remained unchanged in the mind's eye of many exploitation film fans and academics alike Whether in the pages of fanzines or scholarly works it is often recounted how should one have walked down this street between the 1960s and the 1980s one would have undergone a kaleidoscopic encounter with an array of disparate exploitation films from all over the world that were being offered cheaply to urbanites by a swathe of vibrant movie theatres The contributors to *Grindhouse Cultural Exchange on 42nd Street and Beyond* consider grindhouse cinema from a variety of cultural and methodological positions Some seek to deconstruct the etymology of grindhouse itself add flesh to the bones of its cadaverous history or examine the term's contemporary relevance in the context of both media production and consumerism Others offer new inroads into hitherto unexamined examples of exploitation film history presenting snapshots of cultural moments that many of us thought we already knew

Sex Scene Eric Schaefer, 2014-03-21 *Sex Scene* suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe They discuss art films such as *I am Curious Yellow* mainstream movies including *Midnight Cowboy* sexploitation films such as *Mantis in Lace* the emergence of erotic film festivals and of gay pornography the use of multimedia in sex education and the sexual innuendo of *The Love Boat* Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics They highlight the increasingly fluid divide between public and private the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world Contributors Joseph Lam
