

THE OLD COLONY MENNONITES

Dilemmas of Ethnic Minority Life

Calvin Wall Redekop

Foreword by Everett C. Hughes

The Old Colony Mennonites Dilemmas Of Ethnic Minority Life

Michael Brown

The Old Colony Mennonites Dilemmas Of Ethnic Minority Life:

The Old Colony Mennonites; Dilemmas of Ethnic Minority Life Calvin Wall Redekop, 1969 *The Old Colony Mennonites* Calvin Wall Redekop, 1969 The Waterloo Mennonites J. Winfield Fretz, 2010-10-30 The Waterloo Mennonites is truly a communal book the substance treats the communal aspect of the Mennonite community in all its complexity while the book itself came about through communal effort from the students and researchers assisting Fretz the various organizations and individuals providing support the larger community including the two universities and Wilfrid Laurier University Press and public funding agencies This book seeks to derive a clearer understanding of the sociological characteristics of a single Mennonite community beginning with the historical and religious background of the Waterloo Mennonites reviewing their European origins their ethnic identification and their immigration experience It also examines their basic institutions religion and church marriage and the family education and the school economics and earning a living government and how they relate to it their use of leisure time and methods of recreation It also looks at the way Mennonites interact with the larger society and how that society responds The old Colony Mennonites. Dilemmas of ethnic minority life. Forew. by E.C. Hughes, 1969 *The Sociology of Canadian Mennonites, Hutterites and Amish* Donovan E. Smucker, 2010-10-30 The editor provides an important new scholarly tool for locating and understanding the enormous expansion of scholarly research dealing with the sociology of Canadian Mennonites Hutterites and Amish Although the book includes research from American scholars the editor devotes special attention to Canadian works concerning these important and interesting minorities Using the tripartite division of Mennonites Hutterites and Amish the bibliography includes 800 entries each with a concise summary and evaluation The entries are listed under the subheadings books theses articles and unpublished manuscripts Preceding the bibliography itself is an essay by the editor originally presented to the Canadian Sociology and Anthropology Association The essay outlines the differing conceptual assumptions of the researchers included in the book the major methodologies employed and the main conclusions to be drawn from their work **Liminal Sovereignty** Rebecca Janzen, 2018-08-27 Uses cultural representations to investigate how two religious minority communities came to be incorporated into the Mexican nation Liminal Sovereignty examines the lives of two religious minority communities in Mexico Mennonites and Mormons as seen through Mexican culture Mennonites emigrated from Canada to Mexico from the 1920s to the 1940s and Mormons emigrated from the United States in the 1880s left in 1912 and returned in the 1920s Rebecca Janzen focuses on representations of these groups in film television online comics photography and legal documents Janzen argues that perceptions of Mennonites and Mormons groups on the margins and borders of Mexican society illustrate broader trends in Mexican history The government granted both communities significant exceptions to national laws to encourage them to immigrate she argues that these foreshadow what is today called the Mexican state of exception The groups inclusion into the Mexican nation shows that post Revolutionary Mexico was

flexible with its central tenets of land reform and building a mestizo race Janzen uses minority communities at the periphery to give us a new understanding of the Mexican nation This subject matter has never been studied in this fashion before nor with such theoretical sophistication Not only is the book compelling but it is also illuminating Pedro A Palou Tufts University

Power, Authority, and the Anabaptist Tradition Benjamin W. Redekop, Calvin Redekop, 2003-04-01 Founded in part on a rejection of worldly power and the use of force Anabaptism carried with it the promise of redemptive power Yet the attempt to banish worldly power to the margins of the Christian community has been fraught with dilemmas contradictions and at times blatant abuses of authority In this groundbreaking book Benjamin W Redekop Calvin W Redekop and their coauthors draw on classic and contemporary thinking to confront the issue of power and authority in the Anabaptist Mennonite community From the power relationships of the sixteenth century Peasants War to issues of contemporary sexuality the topics of Power Authority and the Anabaptist Tradition are sure to interest a wide audience Contributors Stephen C Ainlay College of the Holy Cross J Lawrence Burkholder President Emeritus Goshen College Lydia Neufeld Harder Toronto School of Theology Joel Hartman University of Missouri Jacob A Loewen missionary retired Dorothy Yoder Nyce Writer and former Assistant Professor Goshen College Lynda Nyce Bluffton College Wesley Prieb deceased former dean Tabor College Benjamin W Redekop Kettering University Calvin W Redekop Conrad Grebel College emeritus James M Stayer Queen's University Ontario *Mennonites, Politics, and Peoplehood* James Urry, 2011-07-15 Mennonites and their forebears are usually thought to be a people with little interest or involvement in politics Mennonites Politics and Peoplehood reveals that since their early history Mennonites have in fact been active participants in worldly politics From western to eastern Europe and through different migrations to North America James Urry's meticulous research traces Mennonite links with kingdoms empires republics and democratic nations in the context of peace war and revolution Urry stresses a degree of Mennonite involvement in politics not previously discussed in literature including Mennonite participation in constitutional reform and party politics and shows the polarization of their political views from conservatism to liberalism and even revolutionary activities Urry looks at the Mennonite reaction to politics and political events from the Reformation onwards and focuses particularly on those people who settled in Russia and their descendants who came to Manitoba Using a wide variety of sources Mennonites Politics and Peoplehood combines an interdisciplinary approach to reveal that Mennonites far from being the Quiet in the Land have deep roots in politics *Strangers At Home* Kimberly D. Schmidt, Diane Zimmerman Umble, Steven D. Reschly, 2003-05-22 Uniformly sophisticated interesting and worthwhile essays focusing on the often misunderstood experiences of Anabaptist women across 400 years Agricultural History Equal parts sociology religious history and gender studies this book explores the changing roles and issues surrounding Anabaptist women in communities ranging from sixteenth century Europe to contemporary North America Gathered under the overarching theme of the insider outsider distinction the essays discuss among other topics How womanhood was defined in early Anabaptist societies of the

sixteenth and seventeenth centuries and how women served as central figures by convening meetings across class boundaries or becoming religious leaders How nineteenth century Amish tightened the connections among the individual the family the household and the community by linking them into a shared framework with the father figure at the helm The changing work world and domestic life of Mennonite women in the three decades following World War II The recent ascendancy of antimodernism and plain dress among the Amish The special difficulties faced by scholars who try to apply a historical or sociological method to the very same cultural subgroups from which they derive The essays in this collection follow a fascinating journey through time and place to give voice to women who are often characterized as the quiet in the land Their voices and their experiences demonstrate the power of religion to shape identity and social practice Makes a major contribution to our understanding of Anabaptist history and the ongoing construction of Anabaptist identity Mennonite Quarterly Review This work is significant both for its breadth and for offering glimpses into the varieties of Mennonite and Amish life Annals of Iowa **Anabaptist/Mennonite Faith and Economics** Calvin Wall Redekop, Victor A. Krahn, Samuel J. Steiner, 1994 The continuing conflict between the Anabaptist Mennonite community and the expanding industrial culture of the modern world has not been investigated This book addresses the issues which fuel that conflict focusing on the implications of subordinating an economic system to the theological framework of a Christian society Contributors Gregory Baum Lawrence J Burkholder Leo Driedger Kevin Enns Rempel Norm Ewert Jim Halteman Leland Harder Al Hecht Jim Lichti Jacob A Leowen John Peters Cal Redekop Walter Regehr T D Regehr Jean Seguy Robert Siemens Arnold Snyder Willis Sommer Mary Sprunger and Laura Weaver Co published with the Institute of Anabaptist and Mennonite Studies

Mennonite Historical Bulletin , 1970 **Smith's Story of the Mennonites** C. Henry Smith, 2005-01-26 **The Oxford Handbook of Music and World Christianities** Suzel Ana Reily, Jonathan M. Dueck, 2016-03-16 The Oxford Handbook of Music and World Christianities investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe The volume explores Christian communities in the Americas Europe Africa Asia and Australia as sites of transmission transformation and creation of deeply diverse musical traditions The book's contributors while mostly rooted in ethnomusicology examine Christianities and their musics in methodologically diverse ways engaging with musical sound and structure musical and social history and ethnography of music and musical performance These broad materials explore five themes music and missions music and religious utopias and other oppositional religious communities music and conflict music and transnational flows and music and everyday life The volume as a whole then approaches Christian groups and their musics as diverse and powerful windows into the way in which music religious ideas capital and power circulate and change between places now and historically It also tries to take account of the religious self understandings of these groups presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values Given that the centerpiece of the volume is Christian

religious musical practice the volume reveals the active role music plays in maintaining and changing religious moral and cultural values in a long history of intercultural and transnational encounters **Journal of Mennonite Studies** ,2004

National Library of Medicine Current Catalog National Library of Medicine (U.S.),1965 **The Great Trek of the Russian Mennonites to Central Asia 1880-1884** Fred Richard Belk,2000-10-17 *The Old Colony Mennonite Colonization of Chihuahua and the Obregón Administration's Vision for the Nation* Martina E. Will,1993 **Sectarianism in Qumran** Eyal Regev,2012-02-13 Sectarianism in Qumran A Cross Cultural Perspective explores the sectarian characteristics of the system of beliefs and laws of the two major Qumran sects of the Dead Sea Scrolls the yahad and the Damascus Covenant using theories of sectarianism and related topics in sociology anthropology and the study of religion It discusses Qumranic moral and purity boundaries cultic rituals wealth gender atonement revelation mysticism structure and organization and compares them with those of seven sects of the same introversionist type the early Anabaptists Mennonites Hutterites and Amish Puritans Quakers and Shakers The sociological and historical relationship between the Qumran sects and the related movements of 1 Enoch Jubilees and the Essenes are analyzed in detail in order to understand the socio religious background of sectarianism in Qumran and its subsequent variations Throughout the chapters differences between the yahad the Damascus Covenant and the Essenes are observed in relation to social boundaries social structure gender relations revelation and inclination towards mysticism Points of resemblance and difference are traced between the Qumran sects and the early modern Christian ones and several different patterns of sectarian ideology and behaviour are noticed among all these sects *Religion and Ethnicity* Leslie Kawamura,2006-01-01 The essays in this volume deal with the relationship between living religious traditions in Canada and the fabric of Canadian society Canada is a pluralistic society ethnically and religiously How are these two pluralisms related Their connection is intimate but never simple For many years there could plausibly have been said to be a dominant Anglo Canadian Protestant tradition with other faiths and denominations being associated primarily with ethnic minorities No doubt this would always have been a simplistic understanding but today as Canadian culture is increasing secularized it is religion itself that the majority sees as a minority concern Ethnic and religious loyalties pull together against a secular assimilation Such a change leaves the establishment denominations with an unwanted identity crisis of their own not the least part of which is due to an unfamiliar awareness of their own ethnic roots and histories **Advances in the Creation and Revision of Writing Systems** Joshua A. Fishman,2015-09-25 No detailed description available for Advances in the Creation and Revision of Writing Systems
