THE OLD MAN AND LESSER MORTALS LARRY L. KING,1974 The Old Man and Lesser Mortals Larry L. King,1975 *Outrageous* Kliph Nesteroff,2023-11-28 From the preeminent historian of comedy an expansive history of show business and the battles over culture that have echoed through the decades and changed the United States *Outrageous* is required reading An essential book of the social history of the United States with laughs Steve Martin There is a common belief that we live in unprecedented times that nobody got offended in the past that people are simply too sensitive today that racism and sexism were once widely accepted without objection The truth is precisely the opposite With every step of our cultural history minorities have pushed back against racist portrayals women have fought for respect and people have sought to change the world of entertainment and beyond through a combination of censorship advocacy or protest Likewise opposing forces have sought to sway public opinion and shape culture through violence and political and economic pressure Kliph Nesteroff author of *The Comedians* and *We Had a Little Real Estate Problem* presents a deep dive into the history of show business and illustrates both how our world has changed and how the fierce battlegrounds of today are reflected in our past *Outrageous* is a crucial and timeless book filled with surprising details remarkable anecdotes and unforgettable characters including figures we think we know such as Mae West Roscoe Fatty Arbuckle and Stan Laurel who tried to bury his wife alive but still wasn't cancelled and others readers may never have heard of **Texas Literary Outlaws** Steven L.
