nearly destroyed her marriage will help you see that no man compares to the one you already have Discover how to embrace the differences between you and your spouse revel in the freedom of forgiveness and draw near to the only Source of lasting fulfillment Story Behind the Book Twelve years ago I became romantically though thankfully not sexually involved with my then pastor This resulted in the church s devastation and a great deal of harm to both of our marriages But God used the difficult lessons I learned during that arduous time to reshape my thinking about marriage and to plainly show me that the man I always wanted was the one I already had By using my own story of failure and forgiveness as a backdrop this book illustrates how our heart s desire is often found no further then the big lug lying next to us in bed each night Paula

*Love's Touch* Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there Is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form

or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude
