

The background of the image is a photograph of a beach at sunset. The sky is a gradient of orange and yellow, fading into a darker blue at the horizon. The ocean is dark, with white foam from waves crashing against a line of dark, jagged rocks in the foreground. The rocks are silhouetted against the bright sky and the white foam of the waves. The overall mood is serene and contemplative.

The only sin is  
selfishness.

*The Only Sacrifice for Sin: Being the Substance of a Sermon [on Heb. ix. 25, 26], Etc* Thomas HOWLETT, 1867     *The Only Refuge of a Troubled Soul in times of affliction. Or, the Mystery of the apple-tree. In two sermons ...* Revised by William Huntington ... *Second edition* Rev. I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and on Google play for the Android OS Hopefully this number will keep increasing as time goes on Prefatory Note There is no introduction to the Epistle to the Hebrews and little need for any preface here Where Christ is the absorbing theme everything must yield to Him and explanations are out of place The main themes of the book are the person of Christ His priesthood and sacrifice and the place into which He has introduced His people Everything is measured by these standards and loyalty to Him is the crucial test for all that would claim attention In these closing days of the Church s history where there is a strong tendency back into that which apes Judaism a carnal religion without divine power and where the person of our Lord is lightly esteemed if not absolutely degraded it is to be hoped that this little book will serve to call back the thoughts of His people to One who is worthy of all their attention allegiance and worship May the Lord graciously use it solely to the glory of His own peerless Name S Ridout     The Norman Anonymous of 1100 A.D. Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that      **Late Ancient Christianity** Virginia Burrus,2010-03-01 The particular excitement of this volume lies in its focus on the everyday realities of Christians lives in the era of Christian ascendancy and Roman decline Popular fiction childrearing and toys rituals of inclusion the beginning of veneration of saints and shunning of heretics the ascetic impulse food practices all these and more lend color and texture to the story of a people s Christianity in this formative stage      *The Existence* Theodore Ihejieta,2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings      **The Nature of the Atonement and Its Relation to Remission of Sins and Eternal Life** John MacLeod CAMPBELL (Minister of Blackfriars Street Chapel, Glasgow.),1867
