Jerome, 2015-03-04 The affair of course had been a marriage of convenience Blake to do him justice had made no pretence to anything beyond admiration and regard Few things grow monotonous sooner than irregularity He would tickle his jaded palate with respectability and try for a change the companionship of a good woman The girl's face drew him as the moonlight holds a man who bored by the noise turns from a heated room to press his forehead to the window pane Accustomed to bid for what he wanted he offered his price The Eppington family was poor and numerous The girl bred up to the false notions of duty inculcated by a narrow conventionality and feminine like half in love with martyrdom for its own sake let her father bargain for a higher price and then sold herself **Sketches in Lavender, Blue and Green** Jerome K. Jerome, 2019-11-27 In Sketches in Lavender Blue and Green Jerome K Jerome presents a masterful collection of humorous essays that examine the quirks and eccentricities of Victorian life Through a keenly observant lens Jerome employs a witty conversational style that reflects the artistic movement of the time characterized by its attention to detail and vibrant portrayal of social practices The sketches delve into themes of identity leisure and the absurdities of human behavior all while invoking a palette of colors in their titles that suggest both liveliness and depth in his reflections on everyday life Jerome K Jerome a luminary in literary circles was not only an accomplished author but also a playwright and humorist whose life experiences greatly influenced his writing Born in 1859 he grew up during a period of significant social change and upheaval in England which informed his keen observations and satirical commentary on society His background in acting

and the theatre provided him with a natural flair for dialogue and character development setting the foundation for the engaging and witty prose found in this collection Readers seeking a delightful exploration of human foibles will find Sketches in Lavender Blue and Green both entertaining and thought provoking Jerome s incisive humor and sharp social critique not only illuminate the peculiarities of his time but also resonate timelessly making this book a valuable addition to the repertoire of anyone interested in the intersections of humor and society **Literary News** ,1897 *Classified Catalogue of the Carnegie Library of Pittsburgh, 1895- 1902: Fine Arts.
