Reading the Animal Text in the Landscape of the Damned Les

Mitchell,2019-10-22 Reading the animal text in the landscape of the damned looks at the diverse texts of our everyday world relating to nonhuman animals and examines the meanings we imbibe from them It describes ways in which we can explore such artefacts especially from the perspective of groups and individuals with little or no power This work understands the oppression of nonhuman animals as being part of a spectrum incorporating sexism racism xenophobia economic exploitation and other forms of oppression The enquiry includes physical landscapes the law womens rights history slavery language use economic coercion farming animal experimentation and much more Reading the animal text in the landscape of the damned is an academic work but is accessible theoretically based but robustly practical and it encourages the reader to take this enquiry further for both themselves and for others

Encyclopedia of Lesbian and Gay Histories and

Cultures Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the

encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Religious Refugees in the Early Modern World Nicholas Terpstra,2015-07-23 The religious refugee first emerged as a mass phenomenon in the late fifteenth century Over the following two and a half centuries millions of Jews Muslims and Christians were forced from their homes and into temporary or permanent exile Their migrations across Europe and around the globe shaped the early modern world and profoundly affected literature art and culture Economic and political factors drove many expulsions but religion was the factor most commonly used to justify them This was also the period of religious revival known as the Reformation This book explores how reformers ambitions to purify individuals and society fueled movements to purge ideas objects and people considered religiously alien or spiritually contagious It aims to explain religious ideas and movements of the Reformation in nontechnical and comparative language
