Skullcaps N Switchblades has been an excited ride The book has been reprinted six times and sold over 50 000 copies which ain t too shabby considering it was first available only in Judaic outlets But much more important than the numbers are the letters and feedback I receive from the readers Some tell me that they are non readers and that this book was the first one they actually read cover to cover Others tell me that they ve reread the book several times throughout the years One proud fan told me he lost count after reading it more than a hundred times And I still get emails and notices on social media how adults are now sharing the book with their children and grandchildren I m excited to present this expanded version of the book The original publisher decided to remove several episodes as they mainly dealt with some negative encounters with various school administrators I urged for them to be included in that the relationship between teachers and the admin and in fact between employee and employer is a huge part of most people s working situations It may even be the most important factor in determining whether you stay on or leave the job Hope you enjoy the book and it gives you some laughs and inspiration One huge thing I learned from my students is that we have far more that unites us than divides us Wishing you all peace love and soul **Crown Heights** Edward S. Shapiro,2006 The first full length scholarly study of the only antisemitic riot in American history Judaica Americana Nathan M. Kaganoff,1995 7 427 items A cumulative edition of the 58 bibliographical lists published in the periodical of the American Jewish Historical Society Contains books and articles most of them in English dealing with the history of Jews in North America and in Latin America See the subject index for items on antisemitism **Who's who in U.S. Writers, Editors & Poets** ,1988 **The Last Chicago Boss** Peter "Big Pete" James,Kerrie Droban,2024-06-04 A legend in the biker community Peter Big Pete James was the most revered gangster in the Outlaw Nation He first perfected his skills with the Hells Angels the Outlaws chief rival before persuading thousands of disgruntled members from splintered Outlaws chapters to unite Together they formed a powerful criminal syndicate involved in extortion contract murders drugs and arms trafficking money laundering and assassinations Then a shocking medical diagnosis knocked James sideways forcing him to face a new life on the outside of the organization he built dodging snitches federal law enforcement and contract hits In The Last Chicago Boss James provides a startling and unprecedented expose into the inner workings of the Outlaw Nation from the unique perspective of its renowned leader all brought to life through never before revealed interviews police files wiretaps recordings and trial transcripts *Who's who in Writers, Editors & Poets, United States & Canada* ,1995 **Jewish Action** ,1996 1988, □□□ □□□□ *El-Hi Textbooks and Serials in Print* ,2006
