Slaves Of Elysium:

Slaves of Elysium W. S. Antony, 2003-11-28 **THE WORKS WILLIAM E. CHANNING, D.D.**, 1891 **The Works of William E. Channing, D.D.** William Ellery Channing, 1888 **The Works of William E. Channing** William Ellery Channing, 1895 *The Complete Works of W.E. Channing* William Ellery Channing, 1870 **Hellbottom** Jerrold Mundis, 2017-01-09 **The Christian Observer**, 1831 The Story of the Congo Free State Henry Wellington Wack, 2023-07-10

In *The Story of the Congo Free State* Henry Wellington Wack presents a comprehensive and unflinching account of the tumultuous history and exploitation of the Congo under colonial rule. This work employs a critical narrative style interweaving historical documentation with vivid descriptions of the landscapes and people affected by the imperial project. Wack delves into the economic motivations behind the establishment of the Congo Free State alongside the brutal realities of forced labor and violence, providing readers with a deep understanding of the socio-political context of late 19th and early 20th century colonialism. Henry Wellington Wack, a historian deeply engaged in colonial studies, utilizes his extensive research and firsthand accounts to bring the challenges of the Congolese people to the forefront. His background in anthropology and history, coupled with a strong ethical commitment to social justice, has undoubtedly shaped his perspective on the atrocities committed in the Congo. Drawing from a variety of primary sources, Wack aims to shed light on this often overlooked chapter of history, emphasizing the need for accountability and remembrance. This book is essential reading for anyone interested in colonial history, post-colonial studies, or African studies. Wack's meticulous scholarship and passionate advocacy for the marginalized make a powerful case for understanding the stories behind the statistics of colonial oppression, thereby serving as a vital resource for historians, students, and general readers alike.

Elysium's Passage N.G. Meyers, 2017-06-14

The Summit is the first book in the *Elysiums Passage* series involving a British philosopher from London named Dr. James Philips, who has a near-fatal fall while climbing to the summit of a remote mountain in the Andes. While his body remains in a coma, he awakens into an altered state of consciousness before encountering two mysterious beings with very different perspectives on the nature of reality. Before returning to his body in London, he is challenged to re-examine his understanding of life's meaning and purpose far beyond anything he previously believed or could believe. An engaging and surreal adventure with intimations of romance, exploring the most important questions regarding the Passage that leads beyond this life towards our ultimate destiny. *The Plains of Elysium* is described by Homer, Hesiod, Virgil, and many other poets as the paradisiacal afterlife reserved for heroes. *The Summit* is not just about a hero or a mountain expedition but a fall into the mystery of the unknown universe.
