The time to make a move is now. Business Law in Africa Boris Martor, 2002 Business Law In Africa gives a general presentation of the seven Uniform Acts that have been issued to date concerning respectively general commercial law, corporate law, bankruptcy, securities, accounting, recovery and enforcement procedures, and arbitration. Sleeping Partners Helen Brooks, Sara Nakayama, 2019-04-08 Twenty-eight-year-old Robyn, who runs a small ad agency, has lately been faced with financial problems, and Clay, a tycoon, has offered to finance her. Twelve years ago Robyn professed her love for him and kissed him, but he treated her like a child and rejected her. Her heart torn apart, she has since been unable to trust in men. Now Clay is offering his help with the business, and with her love life, he says he'll teach her to be less wary of men. It isn't me; he's interested in her, she thinks. It's only casual relationships that interest him. It isn't love. **Sleep and Development** Mona El-Sheikh, 2011-02-22 Sleep problems of American children have become a matter of national concern, with recent estimates indicating that 13% to 27% of children have sleep problems as reported by their parents. Considering the profound impact that disrupted sleep can have on family functioning and processes, it is critical that researchers and clinicians understand how to identify sources and contexts related to sleep disruptions and their consequences. *Sleep and Development: Familial and Socio-Cultural Considerations* is the first volume to integrate knowledge and approaches from numerous disciplines to focus on the sleep and development of children across adjustment and cognitive domains. Addressing the sleep patterns of children as well as those of other family members, sleep specialists from pediatrics, human development, family studies, and developmental and clinical psychology examine linkages between sleep and family processes, cultural attitudes towards sleep, and normative sleep disturbances in children, such as resistance to bedtime, chronic deprivation, and inconsistent sleep schedules. Individual chapters offer discussion on topics such as sleep and attachment, the effects of trauma on children's sleep, the cultural ecology of sleep, clinical assessment of sleep, and more. Highlighting research findings obtained within the last ten years, *Sleep and Development* synthesizes literature from disparate areas of inquiry in an effort to frame future
