Riley, 2005-07-18 A multidisciplinary study that reconstructs Jamaica s rise from low to high life expectancy and explains how that was achieved Jamaica is one of the small number of countries that has attained a life expectancy nearly matching that in richer countries despite having a much lower level of per capita income Politics and Violence in Central America and the Caribbean Hannes Warnecke-Berger, 2018-05-23 This book develops a comparative study on violence in Jamaica El Salvador and Belize based on a theoretical approach extensive field research and in depth empirical research It combines the Caribbean and Central America into a single comparative research that explores the historical from the conquista onwards as well as contemporary causes of violence in these societies The volume focuses on forms of violence such as gang violence police violence every day forms of violence vigilantism and organized crime The analysis provides a theoretical perspective that bridges political economy as well as cultural approaches in violence research As such it will be of interest to readers studying development violence political Central American and Caribbean studies Blackness in Latin America and the Caribbean, Volume 2 Norman E. Gairola, 2016-09-21 *Homelandings* is a critical exploration of the ways that postcolonial diasporas challenge exclusive formulations of home and homeland based on racist and heteronormative assumptions It critically engages with Foucault s notions of biopolitics and governmentality as a conjoined technology of governance in the era of neoliberal capitalism ushered into the global economy from the late 1970s Drawing on texts produced by diasporic people in the UK and USA whose work resists and re appropriates exclusive home sites produced by trends of Anglo American neoliberalism it exposes entrenched discourses of exclusion rooted in race class and sexuality In doing so it offers an urgent intervention for students and scholars of cultural studies postcolonial studies Anglophone literature comparative literature Race and Ethnicity studies and Queer studies **King Alpha's Song in a Strange Land** Jason Wilson, 2020-02-14 When Jackie Mittoo and Leroy Sibbles migrated from Jamaica to Toronto in the early 1970s the musicians brought reggae with them sparking the flames of one Canada s most vibrant music scenes In *King Alpha s Song in a Strange Land* professional reggae musician and scholar

Jason Wilson tells the story of how the organic transnational nature of reggae brought black and white youth together opening up a cultural dialogue between Jamaican migrants and Canadians along Toronto's ethnic frontlines. This underground subculture rebelled against the status quo, eased the acculturation process, and made bands such as Messenjah and the Sattalites household names for a brief but important time. By looking at Canada's golden age of reggae from the perspective of both Jamaican migrants and white Torontonians, Wilson reveals the power of music to break through the bonds of race and ease the hardships associated with transnational migration. *Rastafari* Ennis Barrington Edmonds, 2002-12-26

Once an obscure group of outcasts from the ghettos of West Kingston, Jamaica, the Rastafarians have transformed themselves into a vibrant movement firmly grounded in Jamaican society and beyond. In *Rastafari*, Ennis Barrington Edmonds provides a compelling portrait of the Rastafarian phenomenon and chronicles how this group, much maligned and persecuted, became a dominant cultural force in the world today. Edmonds charts the evolution of the relationship between Rastafari and the wider Jamaican society from confrontation and repression to grudging tolerance and eventually to cultural integration. Edmonds focuses in particular on the internal development of Rastafarianism as a social movement with its network of houses, small informal groups that form around leading Rastas, and mansions, larger more communal associations, to track the process of this strikingly successful integration. He further demonstrates how Rastafarian artistic creativity, especially in fashioning the music and message of reggae, was a significant factor in the transition of Rastas from the status of outcasts to the position of cultural bearers.

Sounds of the Citizens Anne M. Galvin, 2014-06-30

Dancehall is simultaneously a source of raucous energy in the streets of Kingston, Jamaica, a way of life for a group of professional artists and music professionals, and a force of stability and tension within the community. Electronically influenced, relevant to urban Jamaicans, and highly danceable, dancehall music and culture forms a core of popular entertainment in the nation. As Anne Galvin reveals in *Sounds of the Citizens*, the rhythms of dancehall music reverberate in complicated ways throughout the lives of countless Jamaicans. Galvin highlights the unique alliance between the dancehall industry and community development efforts. As the central role of the state in supporting communities has diminished, the rise of private efforts, such as dancehall, becomes all the more crucial. The tension, however, between those involved in the industry and those within the neighborhoods is palpable and often dangerous. Amidst all this, individual Jamaicans interact with the dancehall industry and its culture to find their own paths of employment, social identity, and sexual mores. As *Sounds of the Citizens* illustrates, the world of entertainment in Jamaica is serious business and uniquely positioned as a powerful force within the community.

Blood, Bullets And Bodies Imani M. Tafari-Ama, 2017-06-11

Fifth Edition. The true story of *Blood, Bullets and Bodies*, a critical multimedia exposé about the factors subverting the political will to act in the best interest of the poor, even when explicit justice exists for such altruistic action to take place. *Blood, Bullets and Bodies* is a strange and paradoxical story that needs to be read as much as it needs to be told. It is a riveting story of sex, violence, political intrigue, and survival by any means necessary. The book is a
