Technodemocratic Economic Theory From Capitalism And Socialism To Democracy:

Technodemocratic Economic Theory Reza Rezazadeh,1991 **Passage to a Just Society** Reza Rezazadeh,2003 For more information about the author and his publications visit www.democracywhere.com This study demonstrates that because their opposing nature democracy and capitalism or socialism cannot coexist To have a democratic society we have to replace capitalism or socialism with a democratic free market economy and take government out of regulating people s business and daily life The author attempts to present such a democratic concept its societal structure and function and how under such a system people understand the purpose of life work less hours yet have a prosperous leisurely and satisfying life The book is actually the story of some parts from the author s life written in an autobiographical form showing hardships sufferings failures incredible adventures romance and love he encountered in developing his theory and how persistence and determination despite repeated failures helped him to succeed in developing his theory and at the same time transformed him to a better human being Electronic Electoral System Reza Rezazadeh,2003 For more information about the author and his publications visit www.democracywhere.com The simplicity validity and security of the electronic electoral process presented here rest on introduction of a unique Electronic Identification card EID issued by the Social Security Administration s SSA local offices to each eligible voter based on the information available in its central database On the elections day the voter inserts the card in any computer with connection to Internet at any place in the world the voter s eligibility is checked by the computer through a software against the information in the SSA database and then allowed to enter a National Electoral Website to vote in national state and local elections guided step by step by the computer It totally eliminates the problematic voter registration process and absentee ballot problems It eliminates over voting and under voting and voting more than once for any office It saves to the taxpayers at least 80 percent of the present electoral costs *The Best Books for Academic Libraries: Political science, law, education* ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers The Small Press Book Review ,1991 The Origins of De-collectivization in China Rongrong Kuang,1994 **Choice** ,1991 Bibliographic Index ,1991 **New Analyst** ,1967 **Bibliographic Guide to Business and Economics** New York Public Library. Research Libraries,1976 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 The Cumulative Book Index ,1991 A world list of books in the English language **Capitalism, Socialism and Democracy** M. M. Sankhdher,Stuart S. Nagel,2002 Capitalism and Critique Edward Martin,Rodolfo Torres,Mateo Pimentel,2018-10-25 While there are signs of recovery from recent economic collapses relatively few protective measures are in place in the United States to prevent future crises and widespread destruction of livelihoods around the globe This book a follow up and further development of Martin s and Torres ideas in their acclaimed *Savage State Welfare Capitalism and Inequality* contains a synthesis and critique of economic theory with historical case studies and new discourse on American globalism and its failures to provide for the economic

security of millions of people Since the original publication over ten years ago there has been a resurgence in radical political economy and critical theory Instead of demonizing the market Capitalism and Critique draws lessons from the new directions in social theory and seeks clear solutions for future modes of capitalism Sociological Abstracts Leo P. Chall,1978 **The Defetishized Society** Chris Wyatt,2011-09-29 New Economic Democracy establishes a self governing civil society unifying the private sphere of production and the public sphere of citizenship within a non statist scheme of communal ownership It provides the premises to seeking a solution to Marx s fetishism of commodities Only a thorough restructuring of the economic and political institutions can provide the social climate in which the phenomenon of fetishism can be transcended Defetishizing the commodity implies reversing the concealment of the social relations through which commodities are produced and preventing the tendency to bestow magical characteristics to commodities The key imperative to the defetishized society is a system of genuinely democratic institutions iprovides this necessary corrective and also challenges the prediction that politico economic organizations like worker cooperatives are destined to be dominated by the dictates of oligarchs The explanatory approach of Marx s concepts combined with an original argument will make the book a valuable research tools to students and researchers in political theory democratic theory and political economy **The Democratic Economy** Geoff Hodgson,1984 **After Capitalism** David Schweickart,2011-08-16 Since first published in 2002 After Capitalism has offered students and political activists alike a coherent vision of a viable and desirable alternative to capitalism David Schweickart calls this system Economic Democracy a successor system to capitalism which preserves the efficiency strengths of a market economy while extending democracy to the workplace and to the structures of investment finance In the second edition Schweickart recognizes that increased globalization of companies has created greater than ever interdependent economies and the debate about the desirability of entrepreneurship is escalating The new edition includes a new preface completely updated data reorganized chapters and new sections on the economic instability of capitalism the current economic crisis and China Drawing on both theoretical and empirical research Schweickart shows how and why this model is efficient dynamic and applicable in the world today **Social Structures of Direct Democracy** John Asimakopoulos,2014-06-26 Neoliberalism has pushed capitalism to its limits hollowing out global economies and lives in the process while people have no voice John Asimakopoulos addresses the problem with a theory to practice model that reconciles Marxism with its diverse radical currents and democratic theory Social Structures of Direct Democracy develops a political economy of structural equality in large scale society making strong empirical arguments for radical transformation Key concepts include filling positions of political and economic authority e g legislatures and corporate boards with randomly selected citizens leaving the demos as the executive Asimakopoulos shows that an egalitarian society leads to greater innovation sustainable economic growth and positive social benefits in contrast to economies based on individualism competition and inequality Democracy and Capitalism Samuel Bowles,Herbert Gintis,1986
