**Bobby Blake on a Plantation** Frank A. Warner, 2015-02-16 Example in this ebook CHAPTER I THE SINKING BOAT I tell you what fellows that was some game yesterday said Fred Martin as he sat with his comrades on the steps of Rockledge Hall the day after that memorable Thanksgiving Day when Rockledge had beaten its great rival Belden in the annual football game It was a close shave though remarked his chum Bobby Blake who had been the chief factor in the victory There were only two minutes left of playing time when we got the touchdown It came just in the nick of time I thought you were a goner when that fellow Hoskins dove at you put in Jimmy Ailshine better known as Shiner That fellow sure is a terror when it comes to tackling He grabs you as if you were a long lost brother He came mighty near stopping me admitted Bobby I just felt his fingers touch me as I dodged But a miss is as good as a mile in football as in everything else It was a tough game for Belden to lose commented Perry Wise a big fat boy who went by the ironical nickname of Pee Wee But both teams couldn't win and

we were just a little bit too good for them he added complacently Listen to that we jibed Sparrow Bangs Lot you had to do with it you old elephant Wasn't I sitting there rooting to beat the band demanded Pee Wee in an aggrieved tone And let me tell you I'm some little rooter Well we've won the banner of blue and gold anyway declared Howell Purdy Maybe it won't look good floating from the top of that flagstaff I wonder when we're going to get it pondered Skeets Brody Have you seen it yet Bobby Not yet replied Bobby But Frank Durrock told me all about it It's mighty nifty It's made in blue and gold with a football in the center Then at each of the four corners there'll be the emblem of one of the schools that played for it and it will have embroidered on it Champions of the Monatook Lake Football League I'd like to have the letters big enough so that the Belden fellows could read it from across the lake chuckled Sparrow Come off Sparrow said Bobby with a laugh You're like the Indians who scalp the dead It ought to be enough for you that we beat them without wanting to rub it in Besides we didn't beat them by such a margin that we can afford to brag much about it They sure let us know that we'd been in a fight Talking of fighting chimed in Billy Bassett did any of you fellows hear of the hold up that took place in town this morning Hold up came in a chorus from the lips of all the boys as they crowded around him Yes replied Billy up at Mr Henderson's house about nine o'clock In broad daylight ejaculated Fred Gee but those robbers are getting bold Are you sure about it Billy Dead sure replied Billy In fact I just happened to be passing by and I saw the whole thing You saw it cried Sparrow fairly bubbling over with excitement It's a wonder you didn't say something before How many were there in it There were two against one answered Billy Weren't you awfully scared asked Skeets Not a bit declared Billy Why should I be scared at seeing two clothes pins holding up a shirt There was a moment of awful silence Then with a howl the crowd rose and threw themselves on Billy and mauled and pounded him until he begged for mercy To think that I fell for it snorted Fred disgustedly I sure am easy I'm just as bad mourned Sparrow I swallowed the whole thing hook line and sinker I'm not fit to go around alone They ought to put me in an asylum for the feeble minded Serves you both right laughed Bobby You ought to know Billy by this time Whenever he starts to talk you can be sure that he's trying to put something over on us I'd hate to have your suspicious disposition grinned Billy highly delighted with the success he had scored To be continue in this ebook

**Tom Swift and His Talking Pictures** Victor Appleton, Entering Tom Swift's private laboratory from a room farther down the hall Ned Newton who seemed somewhat out of breath glanced at the young inventor and asked Do you seem to be getting anywhere with it Tom For a moment there was no reply Tom who had been leaning over a complicated apparatus of wires switches and radio bulbs that glowed dimly was slowly turning a dial Ned repeated his question adding What seems to be the trouble Trouble queried Tom looking at Ned with eyes however that did not see him There must be some trouble insisted Ned or you'd have been capering around here on one leg when I came in after doing my stuff back there and he nodded toward the room farther down the hall How about it Tom Swift glanced away from the apparatus which very much resembled a radio receiving set to a yard square burnished sheet of metal hanging in front of him and connected to the other mechanism by several wires This burnished sheet appeared to be made of a mirror of some metal with a square of heavy plate glass covering it Can't you answer inquired Ned with a chuckle Boy I certainly did some acting back there all by myself And I'd like to know whether I got it through to you Did I Bet I did that song and dance for the fiftieth time just now Come on wake up did it come through What's the matter anyhow I I'm thinking said Tom slowly Don't need an interpreter to tell me that and again Ned chuckled I can see it with half an eye But was it a success Yes and no replied Tom turning a switch which seemed to cut off some electrical current for at once a faint hum that had been audible in the laboratory ceased Yes and no It came through all right that is part of it did but the rest Tom ceased speaking and bent over his apparatus He adjusted some set screws turned a couple of dials and changed three of the radio tubes which now that the power was cut off no longer glowed with light beneath the quicksilver coatings on the thin glass Do you want me to go back there and do it over asked Ned I'm willing if you say so and he started for the room he had just left a room wherein under the focused rays of a battery of powerful lights and close to a box containing a strange assortment of tubes and transmitters Ned had done his stunt which consisted of singing and dancing about on a small stage He performed alone there was no audience but the distant one of Tom Swift in his laboratory several hundred feet away      *Don Sturdy with the Big Snake Hunters or Lost in the Jungles of*
