Salazar,2023-02-09 The power of faith and belief is an amazing thing As children we are somehow able to believe that anything is possible which allows an unseen unlimited power to work on our behalf However as we grow and learn we begin to put limits on our faith and belief by believing only those things which we believe are reasonable When we do this we also limit the unlimited power that continuously works on our behalf through childlike faith and belief In this story we see that the faith and belief of a child is able to unleash limitless power to do a thing that only a child could believe is possible If we could as grown ups learn how to keep our childlike faith throughout our entire life time to believe that all things are possible imagine what the unlimited power of faith and belief in the impossible could do to supply us with an endless supply of possibilities The life of a little bear risen up by the faith of a child who believes that all things are possible shows us that when we can believe in the impossible we too can unleash an unlimited power to make all things possible for us But it is only possible if we can believe that all things are possible with a God of unlimited power who continuously works on our behalf
