The Sun and Her Star Dylan Allen, Graham was born to be a star Once upon a time that star shone only for me Now I have to share him with the rest of the world For a while I thought I could do it Because beneath the hypnotic smile gorgeous body and God given charm that made him famous I still caught glimpses of my best friend If the boy who called me sunshine and loved me I wore that love like a crown until he placed it on another s head Losing him was agony distance felt like the only cure When tragedy reunites us after years apart it only takes one touch to erase the past Just like that I m back in his arms He promises this time will be different But I m afraid to believe him Because behind his star s blinding brilliance is a darkness that doesn t want to let him go I know a star that bright can t belong to just one person but my jealous heart doesn t want to share him I want all of him even if wanting what doesn t belong to me leads me to ruin *The Bookseller* ,1913 Official organ of the book trade of the United Kingdom **The Publishers' Circular and Booksellers' Record** ,1929
