Teleny Or The Reverse Of The Medal 1st Edition

R Sandford

Teleny Or The Reverse Of The Medal 1st Edition:

Teleny, Or, The Reverse of the Medal Oscar Wilde, 2006 This homoerotic novel unmasked the cynical double moral standards of the Victorian era The love of Camille and Teleny is shattered by social reprisals It was originally published in 1893 by Leonard Smithers who praised it as being the most powerful and cleverly written erotic romance which has appeared in the English language Adult Fiction

Teleny, or The Reverse of the Medal: A Physiological Romance of To-day Anonymous, 2020-09-28 That thrilling longing I had felt grew more and more intense the craving so insatiable that it was changed to pain the burning fire had now been fanned into a mighty flame and my whole body was convulsed and writhed with mad desire My lips were parched I gasped for breath my joints were stiff my veins were swollen yet I sat still like all the crowd around me But suddenly a heavy hand seemed to be laid upon my lap something was hent and clasped and grasped which made me faint with lust The hand was moved up and down slowly at first then fast and faster it went in rhythm with the song My brain began to reel as throughout every vein a burning lava coursed and then some drops even gushed out I panted All at once the pianist finished his piece with a crash amidst the thundering applause of the whole theatre I myself heard nothing but the din of thunder I saw a fiery hail a rain of rubies and emeralds that was consuming the cities of the plain and he the pianist standing naked in the lurid light exposing himself to the thunderbolts of heaven and to the flames of hell As he stood there I saw him in my madness change all at once into Anubis the dog headed God of Egypt then by degrees into a loathsome poodle I started I shivered felt sick but speedily he changed to his own form again I was powerless to applaud I sat there dumb motionless nerveless exhausted My eyes were fixed upon the artist who stood there bowing listlessly scornfully while his own glances full of I eager and impassioned tenderness seemed to be seeking mine and mine alone What a feeling of exultation awakened within me But could he love me and me only For a trice the exultation gave way to bitter jealousy Was I growing mad I asked myself As I looked at him his features seemed to be overshadowed by a deep melancholy and horrible to behold I saw a small dagger plunged in his breast with the blood flowing fast from the wound I not only shuddered but almost shrieked with fear the vision was so real My head was spinning round I was growing faint and sick I fell back exhausted in my chair covering my eyes with my hands

Routledge Library Editions:

Literature and Sexuality Various Authors, 2021-02-25 This set brings together a collection of classic out of print works that offer some surprising new takes on the theme of sexuality in literature Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century this set presents a thought provoking take on the subject and as such is an essential reference source

The Secret Museum Walter M. Kendrick, 1996 Although erotica has always existed pornography is a recent phenomenon as late as the eighteenth century the word did not exist From the secret museums to the pornography trials of Madame Bovary and Lady Chatterly's Lover to Mapplethorpe cable TV and the Internet Walter Kendrick explores how conceptions of pornography relate to issues of freedom of expression and

censorship He provides too a fascinating portrait gallery of the jurists artists guardians of public morality sleaze merchants and civil libertarians who have played roles in the changing definitions of pornography

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi

The secret vice Diane Mason, 2013-07-19 The secret vice Masturbation in Victorian fiction and medical culture provides a unique consideration of writings on self abuse in the long nineteenth century The book examines the discourse on masturbation in medical works by English Continental and American practitioners and demonstrates the influence and impact of these writings not only on Victorian pornography but also in the creation of fictional characters by canonical authors such as Bram Stoker J S Le Fanu Charles Dickens and Oscar Wilde The book also features the first detailed and balanced study of the largely overlooked literature on masturbation as it pertains to women in clinical and popular medical works aimed at the female reader Mason concludes with a consideration of the way the distinctly Victorian discourse on masturbation has persisted into the late twentieth and twenty first centuries with particular reference to Willy Russell s tragic comic novel *The Wrong Boy* 2000 and to the construction of Victorian Dad a character featured in the adult comic *Viz*

Studies in the Victorian and Neo-Victorian Novel Adrian Radu, 2024-02-29 Readers of the nineteenth century novel expected literature to be a form journalism and fictional history They wanted to read about easily identifiable situations with a chronological straightforward and easily discernible development of plot familiar backgrounds and credible characters About a hundred years later the Victorian novel became the great tradition omnipresent and reliable However today the age and the context are different and novels need more substance including such themes as memory race and empire sex and science spectrality and the heritage industry or key issues like gender sexuality and postmodernism All these elements are considered Neo Victorian which in spite of their novelty do point to a certain Victorian anchor This volume contains ten studies the substance of which is the analysis of novels that according to their date of publication are products of the Victorian and Neo Victorian periods as defined above The authors investigate

and discuss Victorian roots and characteristics preserved or recycled Victorian themes Neo Victorian characters and motifs or any other characteristics that may label them as Victorian or Neo Victorian products **The Love of David and Jonathan** James E. Harding, 2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades **The Love of David and Jonathan** explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged **The Ruling Passion** Christopher Lane, 1995 In **The Ruling Passion** Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory **The Ruling Passion** interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive **The Ruling Passion** examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1970 **Beastly Journeys** Tim Youngs, 2013-11-06 A critical exploration of travel animals and shape changing in fin de siècle literature **The Publishers Weekly**, 1972-10 **File On Wilde** Margery Mary Morgan, 2014-03-10 **Writer Files** is an important series documenting the work of major dramatists of the last hundred years Oscar Wilde was born in Dublin in 1856 In the years following his graduation from Oxford in 1878 he published poems and stories which included *The Picture of Dorian Gray* *Lady Windermere's Fan* was produced in 1892 *A Woman of No Importance* in 1893 and *An Ideal Husband* and *The Importance of Being Earnest* in 1895 Later work included *De Profundis* and *The Ballad of Reading Gaol* He died in 1900 Each volume contains a comprehensive checklist of all the writer's plays with a detailed performance history excerpted reviews and a selection of the writer's own comments on their work **Queering the Gothic** William Hughes, Andrew Smith, 2017-06-01 **Queering the Gothic** is the first multi authored book concerned with the developing interface between

Gothic criticism and queer theory Considering a range of Gothic texts produced between the eighteenth century and the present the contributors explore the relationship between reading Gothically and reading Queerly making this collection both an important reassessment of the Gothic tradition and a significant contribution to scholarship on queer theory Writers discussed include William Beckford Matthew Lewis Mary Shelley George Eliot George Du Maurier Oscar Wilde Eric Stenbock E M Forster Antonia White Melanie Tem Poppy Z Brite and Will Self There is also exploration of non text media including an analysis of Michael Jackson's pop videos Arranged chronologically the book establishes links between texts and periods and examines how conjunctions of queer gay and lesbian can be related to and are challenged by a Gothic tradition All of the chapters were specially commissioned for the collection and the contributors are drawn from the forefront of academic work in both Gothic and Queer Studies

The Publishers' Circular and Booksellers' Record, 1924 **American Book Publishing Record**, 1985 Queer Reading Practices and Sexology in Fin-de-Siècle Literature Zsolt Bojti, 2025-07-28

This book scrutinises the production and transnational distribution of sexological knowledge at the turn of the century The works of three transnationally mobile authors are in the focus The Picture of Dorian Gray 1890 1891 and Teleny 1893 by and attributed to Oscar Wilde The True Story of a Vampire 1894 by Count Stanislaus Eric Stenbock and Imre A Memorandum 1906 by Edward Prime Stevenson The textual analysis is governed by references in all four works to Hungarian culture to demonstrate how they conceptualised Hungarianness and same sex desire simultaneously in the light of the new classificatory science of sexualities coming from German speaking Central Europe By foregrounding a timely literary angle and a culturalist approach this book offers non Anglocentric insights not bound by either language or nationality to shed new light on the interdisciplinary reading practices of late Victorian subjects and the ways they contributed to the emergence of fin de siècle queer fiction

Sounding Bodies Shannon Draucker, 2024-07-01 Can the concert hall be as erotic as the bedroom Many Victorian writers believed so In the mid nineteenth century acoustical scientists such as Hermann von Helmholtz and John Tyndall described music as a set of physical vibrations that tickled the ear excited the nerves and precipitated muscular convulsions In turn writers from canonical figures such as George Eliot and Thomas Hardy to New Women novelists like Sarah Grand and Bertha Thomas to anonymous authors of underground pornography depicted bodily sensations and experiences in unusually explicit ways These writers used scenes of music listening and performance to intervene in urgent conversations about gender and sexuality and explore issues of agency pleasure violence desire and kinship Sounding Bodies shows how both classical music and Victorian literature while often considered bastions of conservatism and repression represented powerful sites for feminist and queer politics

Gothic Mash-Ups Natalie Neill, 2022-03-14 Gothic Mash Ups explores the role of intertextuality in Gothic storytelling through the analysis of texts from diverse periods and media Drawing on recent scholarship on Gothic remix and adaptation the contributors examine crossover fictions multi source film and comic book adaptations neo Victorian pastiches performance magic monster mashups and

intertextual Gothic works of various kinds Their chapters investigate many critical issues related to Gothic mash up including authorship originality intellectual property fandom commercialization and canonicity Although varied in approach the chapters all explore how Gothic storytellers make new stories out of older ones relying on a mix of appropriation and innovation Covering many examples of mash up from nineteenth century Gothic novels to twenty first century video games and interactive fiction this collection builds from the premise that the Gothic is a fundamentally hybrid genre

The Complete Works of Oscar Wilde: The picture of Dorian Gray : the 1890 and 1891 texts Oscar Wilde, 2000 This is the first variorum edition of the 1890 and 1891 editions of Oscar Wilde s controversial novel *The Picture of Dorian Gray* Drawing on manuscripts and a typescript this volume reprints the thirteen chapter and twenty chapter versions of Wilde s narrative as separate works enabling the reader to see the considerable changes that Wilde made to his famous story across a period of eighteen months This variorum edition contains a comprehensive introduction that provides full bibliographical information about the two editions as well as a detailed commentary that illuminates the extraordinarily wide range of references that Wilde makes to a broad repertoire of sources This volume will be the definitive edition of *The Picture of Dorian Gray* for many years to come

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Teleny Or The Reverse Of The Medal 1st Edition**

In some sort of inundated with screens and the cacophony of quick communication, the profound energy and mental resonance of verbal art frequently diminish into obscurity, eclipsed by the constant onslaught of sound and distractions. However, situated within the lyrical pages of **Teleny Or The Reverse Of The Medal 1st Edition**, a captivating function of fictional brilliance that pulses with raw feelings, lies an wonderful trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that enchanting opus manuals readers on a psychological odyssey, softly exposing the latent potential and profound influence stuck within the intricate web of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is main themes, dissect its interesting writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
