Tell It to a Glaswegian! Albert D. Mackie, 1989-12-01 *Dark Dreams* Jamroar Runehouse, 2013-03-10 Will it be D S Hall of Glasgow s Elite Crime Squad or James from The BAR L who finally brings The Blue Flame to justice Black Dreamz James F. Park, 2014-01-13 After rampaging through all the major states of America the sadistic and evil one has returned to his Glaswegian home to continue his life s long work Reporter Jack Sinclair has followed him but will it be the intrepid D S Hall of the Elite Glasgow Crime Squad who finally puts an end to the serial killers reign of terror *The Nation on Screen* Enric Castelló, Alexander Dhoest, 2020-07-24 But we can still rise now runs a line of Scotland s unofficial national anthem Flower of Scotland and be the nation again who defeated the English King Edward II in 1314 at the Battle of Bannockburn These short lines tell us much about the concept of the nation Firstly the pronoun of the nation is we Secondly nationhood remains aspirational for some while it is entirely taken for granted for others Thirdly nations often trace their origins back to an implausibly dim and distant past Finally it points to the fundamentally discursive nature of the nation the nation appears not as something which simply is but as something which can be called into existence through talk official documents official and unofficial national anthems ceremonies and parades monuments and statuary press coverage and increasingly television This book which arose out of a conference held in Tarragona in 2007 focuses on the complex discourses of the nation to be found in the television systems of twelve different countries examining how these circulate in fiction in news and documentary including re enactment formats and in entertainment programmes adverts and the coverage of large scale sporting events The nation which emerges is everywhere and nowhere talked about endlessly but never finally grasped repeatedly staged and re enacted but lacking a foundational script In short it is a site of struggle The stakes are high since the nation when mobilised is a force to be reckoned with and the on going attempts to define it are many varied and often highly creative This book details many such events from the high drama of war reporting to the self mocking irony of ten second commercial spots Imagining Adoption Marianne Novy, 2004 DIV Engaging essays on the theme of adoption as seen in literary works and in writings by adoptees adoptive parents and adoption activists div Through Travel and Error Matt Hamilton, 2009-05-07 Determined to find more to life than sitting behind a desk pushing paper Matt Hamilton leaves Ottawa Canada with only a pack on his back a one way ticket to Glasgow Scotland and a goal to find not only himself but also a country more conducive to his mentality and lifestyle Having never travelled anywhere on his own let alone outside of North America Hamilton is determined to leave behind his uneventful days in Canada and dives headfirst into a spontaneous voyage around the planet As he journeys from Glasgow to Ireland to the Netherlands he fully anticipates facing insurmountable challenges valuable lessons and eye opening experiences along the way Little does he know that pursuing his quest will include witnessing the behavior of heroin addicts living in brothels and working for gangsters Candid and witty this fascinating travel journal shares the escapades philosophies and confessions of a young man who chose to say good bye to
