Tell Me A Story Daddy:

Tell Me a Story Dante Fabiello,2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stooweeee Well this is my story on how I created thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stooweeee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here

Tell Me a Story Madeleine Pizzuti,2016-04-25 Growing up in England and living in the small Fenland village of Leverington for eighteen years of my life created for me a myriad of memories some sad but most of them very happy Born in the Fenland capital and living in a house that her father built just outside the village of Leverington in Cambridgeshire Madeleine Pizzuti enjoyed an idyllic childhood within the safe and warm embrace of a loving family good friends and a large and lovable extended family I can still smell the country air that surrounded us as we sat amongst the gooseberry bushes that day The aroma of cucumber sandwiches tea from a flask bales of prickly straw mingled with the smell of strawberries ripening in the distance created for me a childhood memory that would last forever *Tell Me a Story* is a selection of stories drawn from her childhood memories from her grandmother's infamous jelly cubes to garden forks that go awry From donkey rides to teenage crushes and a drummer boy that would make you smile Set between the mid 1950s to 1970s this memoir would appeal to adults and young adults alike particularly those familiar with the Fenland district *Mommy Tell Me a Story* Desaree Seals,2014-11-21 Mama Tell Me a Story Mama tell me a story while you tuck me in and I curl up with my favorite teddy bear Mama tell me a story about the time when you were my age and you could not sleep and counting sheeps is all you knew how to do Mama tell me a story about the time when you dress up like a princess and dad dress like a knight pretending to slay the dragon Mama tell me a story about the time when you flew around on a magical unicorn and dad travel around the world to find missing treasure Mama tell me a story about the time when you have a monster living under your
