Telling It Again And Again Repetition In Literature And Film:

Telling it Again and Again Bruce F. Kavin, 1972 **Film Noir and the Cinema of Paranoia** Wheeler Winston Dixon, 2019-07-29 Film Noir and the Cinema of Paranoia is an overview of 20th and 21st century noir and fatalist film practice from 1945 onwards The book demonstrates the ways in which American cinema has inculcated a climate of fear in our daily lives as reinforced starting in the 1950s by television and later videocassettes the web and the Internet to create by the early 21st century a hypersurveillance atmosphere in which no one can avoid the barrage of images that continually assault our senses The book begins with the return of American soldiers from World War II liberated from war in the Pacific by the newly created atomic bomb which will come to rule American consciousness through much of the 1950s and 1960s and then in a newer more small scale way become a fixture of terrorist hardware in the post paranoid ear of the 21st century Film Noir and the Cinema of Paranoia is constructed in six chapters each highlighting a particular raising of the cinematic stakes in the creation of a completely immersible universe of images Selling points Expands the definition of noir to include numerous lesser known works Deals with Red Scare films of the 1950s in the US Examines the dark side of the 1960s or films that questioned the emerging counterculture Explores such neo noir films as The Last Seduction 1993 Angel Heart 1987 The Grifters 1990 Red Rock West 1993 The Usual Suspects 1995 Mulholland Drive 2001 L A Confidential 1997 and Memento 2000 Details the noir aspects of the cybernetic age both in online and videogame uses *Faulkner and the Craft of Fiction* Doreen Fowler, Ann J. Abadie, 2010-01-06 In 1944 William Faulkner wrote to Malcolm Cowley I m telling the same story over and over which is myself and the world That s all a writer ever does he tells his own biography in a thousand different terms With these words Faulkner suggests that what changes in the course of his prolific novel writing career is not so much the content but the style the thousand different terms of his fiction The essays in Faulkner and the Craft of Fiction first presented at the 1987 Faulkner and Yoknapatawpha Conference at the University of Mississippi focus on Faulkner s narrative inventiveness on how Faulkner like his character Benjy in The Sound and the Fury relentlessly kept trying to say The contributors authorities on Faulkner s narrative offer a wide variety of critical approaches to Faulkner s fiction writing process Cleanth Brooks for example applies the strategies of New Criticism to Faulkner s rendering of the heroic and pastoral modes Judith L Sensibar attempts to locate biographical sources for repeated Faulknerian paradigms and Philip M Weinstein draws on the theories of the Marxist Althusser and the French psychoanalyst Lacan The topics examined are similarly wide ranging **Auteurs and Authorship** Barry Keith Grant, 2008-02-11 Auteurs and Authorship A Film Reader offers students an introductory and comprehensive view of perhaps the most central concept in film studies This unique anthology addresses the aesthetic and historical debates surrounding auteurship while providing author criticism and analysis in practice Examines a number of mainstream and established directors including John Ford Alfred Hitchcock Howard Hawks Douglas Sirk Frank Capra Kathryn Bigelow and Spike Lee Features historically important foundational texts

as well as contemporary pieces Includes numerous student features such as a general editor's introduction short prefaces to each of the sections bibliography alternative tables of contents and boxed features Each essay deliberately focuses across film makers oeuvres rather than on one specific film to enable lecturers to have flexibility in constructing their syllabi

Multimedia Modernism Julian Murphet, 2009-04-30 Multimedia Modernism explores the complex effects of a new media environment on avant garde literary production in the early twentieth century During this period the likes of Gertrude Stein Ezra Pound and Louis Zukofsky wrote works which in one way or another attest to the immense effect that photography cinematography mechanical print technology and visual advertising had on the established arts Re reading modernism's technological origins through the lens of media theory this innovative study proposes a serious new methodological approach to modernism in general Examining a wide range of literature that includes Gertrude Stein's contributions to Camera Work Louis Zukofsky's groundbreaking poem A and Wyndham Lewis's celebrated Blast this book embeds literary revolution within media evolution to show that literary criticism and media history have a lot to learn from each other

Film Sequels Carolyn Jess-Cooke, 2012-02-20 A study of sequel production within recent Hollywood and beyond in terms of its industrial cultural and global implications

21st-Century Hollywood Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2011-08-31 They are shot on high definition digital cameras with computer generated effects added in postproduction and transmitted to theaters websites and video on demand networks worldwide They are viewed on laptop iPod and cell phone screens They are movies in the 21st century the product of digital technologies that have revolutionized media production content distribution and the experience of moviegoing itself 21st Century Hollywood introduces readers to these global transformations and describes the decisive roles that Hollywood is playing in determining the digital future for world cinema It offers clear concise explanations of a major paradigm shift that continues to reshape our relationship to the moving image Filled with numerous detailed examples the book will both educate and entertain film students and movie fans alike

Different Repetitions Andreas Bandak, Simon Coleman, 2021-03-30 This book takes the concept of repetition beyond older anthropological debates over habit structure or cultural continuity and demonstrates its value in attempts to comprehend the temporal spatial and ideological fields in which contemporary social scientists must operate Repetition has an ambiguous value in human societies It may contribute to desired social and cultural reproduction or equally represent experiences of being trapped in cycles of routine and stasis In this book six anthropologists demonstrate the capacity of repetition to open up fertile areas of comparative ethnographic and historical work Focusing on religious case studies drawn from around the world contributors ask when and how repetition is observed by interlocutors or fieldworkers In the process they explore the ethical political and experiential dimensions of repetition as it operates at numerous scales of activity ranging from intimate ritual to forms of religious dissent to haunting forms of historical recurrence The chapters in this book were originally published as a special issue of History and Anthropology

Ineffability Peter S. Hawkins, Anne Howland

Schotter,2016-03-03 The essays in this volume explore the persistent struggle of language to overcome its own limitations Given their scope from Dante s confrontation with the divine All to Samuel Beckett s obsessive need to speak in the face of Nothing they expand our notion of the extent to which all speech is an assault on silence an attempt to articulate what lies beyond the grasp of words The collection offers the reader in roughly chronological order diverse conceptions of the ineffable as either superfluity or absence of reality It also exposes language in the act of extending its own boundaries drawing attention to those literary tactics by which speech attempts to suggest what cannot be said While largely a study of poetry from medieval to modern the volume also touches upon drama and a variety of prose combining close textual readings with broader thematic discussions

Film Genre 2000 Wheeler W. Dixon,2000-02-24 New essays by prominent film scholars address recent developments in American genre filmmaking

Mappings of the Biblical Terrain Vincent L. Tollers,John R. Maier,1990 Twenty five international biblical scholars and literary theorists apply the methods of literary criticism semantics social criticism theology narratology and gender studies to the Hebrew Bible and the New Testament New connections between Judaism and Christianity are suggested

Engaging Dialogue Jennifer O'Meara,2018-01-09 Examines the politics of female ship in relation to contemporary documentary practices

Selected Film Essays and Interviews Bruce F. Kawin,2013-04-01 This engaging collection of Bruce F Kawin s most important film essays 1977 2011 is accompanied by his interviews with Lillian Gish 1978 and Howard Hawks 1976 The Hawks interview is particularly concerned with his work with William Faulkner and their friendship The Gish interview emphasizes her role as a producer in the 1920s The essays focus on such topics as violence and sexual politics in film the relations between horror and science fiction the growth of video and digital cinema and their effects on both film and film scholarship the politics of film theory narration in film and the relations between film and literature Among the most significant articles reprinted here are Me Tarzan You Junk The Montage Element in Faulkner s Fiction The Mummy s Pool The Whole World Is Watching and Late Show on the Telescreen Film Studies and the Bottom Line The book includes close readings of films from La Jet e to The Wizard of Oz

Cinematic Fictions David Seed,2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post war novels This book asks a simple question given their fascination with the new medium of film did American novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War Cinematic Fictions offers new insights into classics like The Great Gatsby and The Grapes of Wrath discussing major writers critical writings on film and active participation in film making Cinematic Fictions is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of

montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film *The Rhetorical Use of Numbers in the Deuteronomistic History* Denise C. Flanders,2022-04-11 The Deuteronomistic History contains many vast troop and casualty numbers What purpose does this literary device of numerical hyperbole serve What rhetorical purposes do any of the numbers in this text serve In *The Rhetorical Use of Numbers in the Deuteronomistic History* Saul Has Killed His Thousands David His Tens of Thousands Denise Flanders explores the variety of rhetorical effects that numbers have on the narrative of Joshua 2 Kings Flanders demonstrates that numbers in Joshua 2 Kings often work in surprising and subversive ways Rather than regularly glorifying a leader large casualty numbers may actually anticipate a ruler's downfall Rather than underscoring an Israelite battle victory numbers sometimes qualify or undermine the triumph of victories Narrative as Communication Didier Coste,1989 *Mama Dada* Sarah Bay-Cheng,2004-06 Sarah Bay Cheng offers an examination of Gertrude Stein's drama within the history of the theatrical and cinematic avant gardes **Visions of the Maid** Robin Blaetz,2001 Blaetz film studies Mount Holyoke College provides a thought provoking critique of the messages conveyed about women mothers and patriotism in Joan of Arc films in the 20th century Three films are central to the study Cecil B DeMille's 1916 *Joan the Woman* Victor Fleming's 1948 *Joan of Arc* and Otto Preminger's 1945 *Saint Joan* Blaetz ties the themes and ideals promoted in the films to other elements of popular culture at the time c Book News Inc

Transfigurations Asbjørn Grønstad,2008 In many senses viewers have cut their teeth on the violence in American cinema from Anthony Perkins slashing Janet Leigh in the most infamous of shower scenes to the 1970s masterpieces of Martin Scorsese Sam Peckinpah and Francis Ford Coppola to our present day undertakings in imagining global annihilations through terrorism war and alien grudges *Transfigurations* brings our cultural obsession with film violence into a renewed dialogue with contemporary theory Grønstad argues that the use of violence in Hollywood films should be understood semiotically rather than viewed realistically *Transfigurations* thus alters both our methodology of reading violence in films and the meanings we assign to them depicting violence not as a self contained incident but as a convoluted network of our own cultural ideologies and beliefs *Rock Music in American Popular Culture II* Frank Hoffmann,B Lee Cooper,Wayne S Haney,Beulah B Ramirez,2015-12-22 From *Who Put the Bomp in the Bomp Bomp Bomp* to a list of all song titles containing the word werewolf *Rock Music in American Popular Culture II* More Rock n Roll Resources continues where 1995's Volume I left off Using references and illustrations drawn from contemporary lyrics and supported by historical and sociological research on popular cultural subjects this collection of insightful essays and reviews assesses the involvement of musical imagery in personal issues in social and political matters and in key socialization activities From marriage and sex to public schools and youth culture readers discover how popular culture can be used to explore American values As Authors B Lee Cooper and Wayne S Haney prove that integrated popular culture is the product of commercial interaction with public

interest and values rather than a random phenomena they entertainingly and knowledgeably cover such topics as answer songs interchanges involving social events and lyrical commentaries as explored in response recordings horror films translations and transformations of literary images and motion picture figures into popular song characters and tales public schools images of formal educational practices and informal learning processes in popular song lyrics sex suggestive tales and censorship challenges within the popular music realm war examinations of persistent military and home front themes featured in wartime recordings

Rock Music in American Popular Culture II More Rock n Roll Resources is nontechnical written in a clear and concise fashion and explores each topic thoroughly with ample discographic and bibliographic resources provided for additional research Arranged alphabetically for quick and easy reference to specific topics the book is equally enjoyable to read straight through Rock music fans teachers popular culture professors music instructors public librarians sound recording archivists sociologists social critics and journalists can all learn something as the book shows them the cross pollination of music and social life in the United States
