**Telling Liddy** Anne Fine,1998 The Palmer sisters are close They see each other often for shopping trips and casual suppers They care for one another s children and houses and pets through holidays and emergencies They lend each other books and spare heaters and clothes for special occasions Their phones ring in a ceaseless round of chat about in laws and job plans and anxieties and triumphs They all agree that loyalty to one another always outweighs loyalty to boyfriends and lovers and husbands And there are never any secrets Not until now Stella tells Bridie a rumour she s heard about Liddy s new boyfriend and in no time at all the sisters relationships begin to unravel Should Liddy be told Bridie is certain and persuades her sisters to join her in this decision But when Liddy reacts badly the other two backslide and Bridie becomes the outcast bereft of the support system upon which she has based her whole life and all her values With surgical precision and a wry intelligence Anne Fine exposes the claustrophobic and potentially duplicitous nature of close family relationships Secrets beget secrets after all and the final revelations are more than anyone has bargained for **Telling Liddy** Anne Fine,2000

United States. Congress. Senate. Select Committee on Presidential Campaign Activities,1973      The Mysteries of Watergate  
John O'Connor,2022-06-30 Watergate our great national nightmare in the words of President Gerald Ford was the most impactful scandal in American and perhaps world history Yet even those who believe they have studied Watergate fully could never understand the purpose of this puzzling burglary of DNC headquarters with no meaningful information to gain and Nixon far ahead in the polls In easily accessible vignettes The Mysteries of Watergate will unpack factual narratives and solid inferences that will astound the reader John O Connor s rendition will add to prior research into heretofore unknown occurrences putting all revisionist knowledge into one coherent understandable whole Even more explosively he has for the first time by any observer in fifty years deeply examined the three thousand Post Watergate articles and its subsequent publications to show how deeply false and flawed this journalism was He also will offer the first comprehensive understanding of Deep Throat s true motives Since this reporting won a Pulitzer Prize and is the template for all subsequent investigative reporting this book profoundly shakes the foundation of the modern mainstream media project The Mysteries of Watergate is a must read for anyone interested in the way modern society shapes its historical narratives      **The trial of skill; or, Which is the best story?
