The Creation Of My Thoughts James Duncan,2011-10-28 My Book the creation of my thoughts in which I wrote while incarcerated in the FEDERAL PRISION SYSTEM It is based on spirituality politics and poetry The spirituality part is because I was inspired by our creator to write this book And because I believe that before we came into existence on this earth in this flesh We were first spirits and once we moved past this stage in one eternal life We will once again return to our original form as a spirit whether it is eternal life or external domination If we let our spirit guide us while in this stage we will progress in life So many get caught up on the here and now one impressing the next person whether it be through material possessions or through our social status Or through intimation

The Hero of Heroes 2 James Prince,2016-02-18 For my part I must admit it is with time and the age that wisdom allowed me to be slow to anger to accomplish Gods justice and to be worthy of the Messiah worthy of the Word of God The Word of God the truth that is in my opinion the greatest power in this world is with me and I love it with all of my heart It is the Word of God that gives me the taste to write about it the taste to make it known and the taste to share it with the greatest possible number of people in this

world I strongly believe that without it I wouldn't have too much to say or to write about There were days and even this year when I asked myself what could have changed me to this point and the only answer I got was that it was the Word of God that did it But this is absolutely wonderful To live in the kingdom of heaven in the kingdom of Jesus is the most wonderful thing that could happen to a human being and this is what gives me the taste to invite people from all nations to come to join me in it I hope with my whole heart this is what my books and my hymns to my Lord will do This is exactly why the Messiah Jesus gave his life for so we could all be this happy May he be blessed above all men who lived on this earth James Prince *The Works of the Poets of Great Britain and Ireland* Samuel Johnson, 1797 The Works of the English Poets, from Chaucer to Cowper: Waller, Butler, Rochester, Roscommon, Otway, Pomfret, Dorset, Stepney, J.
