The Prize of the High Calling of God Stendal, Russell M., 2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh

must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6:8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell's gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia

Adjusting to God's High Calling is about God's desire intentions and interactions with the humans which He intended from time immemorial It is a call to the Divine realms of higher living in Christ Jesus It explains that within the Divine purpose God's desire is the flowing forth of His life into and through His people but which can be hindered It also points out that true Christianity is presently being inundated in the human traditions and philosophies within the religious sector turning it into many things it is not The book posits it is simply God's dynamically balanced life of grace in the Spirit lived in oneness with the reigning Lord True Christianity therefore Is not constant prideful protestations arguments and hatred among its various constituencies over their points of belief Is not intellectualism theological or otherwise though it is not against either Is not emotionalism based solely on people's experiences though it is not against emotional expression Is neither simply knowing nor subscribing to the right doctrines Is not all grace or love alone Adjusting to God's High Calling discusses these and other factors in the following phases The Divine Importunity for the Call The Divine Intentions of the Call The Divine Interactions within the Call It will clarify God's purpose for your life moving you to do everything with love
