the Mayflower Compact from 1620 up to the adaption of the democratic U S Constitution in 1789 and the phenomena of U S patriotism a rich tradition of philanthropy developed in the USA By providing the impact of historical events shaping the Philanthropical American Tradition it is due to the multitude of influences only possible to examine the most important ones in this paper The impact of these historical influences on the Philanthropical American Tradition will be exposed in consideration of the American culture and character Finally against the background of the strong American Philanthropical Tradition the importance of America s non profit sector will be revealed from a historical perspective Robin Hood Was Right Chuck Collins,Pam Rogers,Joan P.
