The Of Lights I Unveiling The Mystery Of God The Of Lights 1:

Mystery Babylon Unveiled Isaac Isaiah, 2024-02-04 Mystery Babylon Unveiled Lucifer the Queen of Heaven brings to light Bible scriptures which prove that the one known as Satan the Devil and Lucifer is in fact a WOMAN It reveals how she is identified in the Bible as the Queen of Heaven and the Great Whore of Babylon This book also brings forth incontrovertible historic evidence confirming that Lucifer was worshiped in the earliest recorded history as the Great Mother Goddess and that she is still worshiped as such within the halls of secret societies today Discover where the world's worship of the Goddess began and where it is headed within the pages of this book **Isis Unveiled is a Treasure of Light and Knowledge, which exceeds all riches** Helena Petrovna Blavatsky, Henry Steel Olcott, Alexander Wilder, 2025-02-07 Part 1

Introductory and historical notes on the trans Himalayan Adepts and other prominent contributors involved in the literary production of *Isis Unveiled* Isis is Divine Wisdom beheld by the pure in heart and symbol of abstract Mother Nature personified as Virgin and so is the Rosicrucian Rose anagram of the Orphic Eros *Isis Unveiled* is the most influential book of modern times and a revolutionary act of brotherly love and sympathy with every creature including the gnat that dances in the rays of the sun In the summer of 1875 Madame Blavatsky began sketching out a plan for unveiling Isis the Lunar Goddess The awesome task of revealing the secrets of Nature began in a small flat in a modest district of New York directed and overseen by Masters of Eastern Occultism *Isis Unveiled* was a collaborative production between Mme Blavatsky and several Adepts of the trans Himalayan Arhat Esoteric School An Adept can transfer part of his consciousness to a disciple messenger or mediator in order for the latter to carry out a task upon the former's behest in the outer world or to teach The Tibetan term for this delegated authority is Tulku whereby the messenger is doing his Master's bidding by mutual consent While the medium of the sances is a hapless and helpless instrument of erratic and vagrant astral forces the mediator in Tulku is a willing intermediary between the Brotherhood of trans Himalayan Adepts and humanity at large Such a mediator may be also called a transmitter as was the case with Mme Blavatsky In the course of Col Olcott's training Mme Blavatsky assigned topics to write about and suggesting the salient points that should be brought in But she could hardly conceal her exasperation at Olcott's often jumbled and confused ideas and expressed her frustration in no uncertain terms When receiving mental dictation Mme Blavatsky's pen would be flying over the page when she would suddenly stop look out into space with the vacant eye of the clairvoyant seer as though looking at something held before her and then copying what she saw Thus Mme Blavatsky led by the Celestial Light of Lakshmi kept gazing at the grandest repository of all ages hidden in the fathomless realms of Occultism Someone comes and envelops me as a misty cloud pushes me out of myself and then I am not Helena Petrovna Blavatsky but someone else someone strong and powerful born in a totally different region of the world and as to myself it is almost as if I were asleep or lying by not quite conscious not in my own body but close by held only by a thread which ties me to it He who knows all my Master dictates to me and occasionally others whom I knew years ago in my travels

When writing upon a subject I know little or nothing of I address myself to Them and one of Them allows me to write down what I see in manuscripts and even printed matter that pass before my eyes in the air Madame Blavatsky was living in two parallel worlds the spiritual and the natural She began unveiling Isis upon her return from ten years travelling in the Caucasus and other remote lands shimmering with snow where her occult faculties and powers to heal were heightened widely admired and gratefully appreciated by those who were fortunate enough to have met her The editorial board of Isis consisted of several Adepts and Initiates inwardly of one mind as to the timing of lifting Her mysterious veil and unfurling it from East to West Outwardly however they were all of dissimilar idiosyncrasies mental characteristics predilections and peculiarities of temper directing their thoughts to a living writing machine H P Blavatsky Col H S Olcott recollects some of the personalities of the editorial board One when deeply pondering was constantly pulling at his long moustache twisted into his side whiskers another of a fine artistic talent and a passion for mechanical invention disliked English so much that only talked to me in French One would reel off to me poetical stanzas embodying sublime ideas alternating with humorous mode another was jovial fond of good stories and witty to a degree One was all dignity reserve and erudition another calm patient and helpful One was testy and sometimes exasperating another always willing to emphasise his philosophical or scientific explanation of the subjects I was to write upon by doing phenomena for my edification while to another I dared not even mention them At one time a huffy Adept rebuked thrifty Olcott over a pencil Despite the diverse Occult Agencies involved in the production of Isis Unveiled there was a clear sense of individuality and deep conviction running throughout it and Mme Blavatsky s other works something special and unique to herself There were times when Mme Blavatsky was neither controlled nor dictated to by any superior intelligence but was simply H P B our beloved friend and teacher who was trying as well as she could to carry out the noble object of her literary mission As daylight passing through the cathedral s windows becomes coloured to the tints of the stained glass so the thoughts transmitted by the Masters to Mme Blavatsky s brain were coloured by her own literary style Still though her modes of expression may have been somewhat different the innermost train of thought was the same While the principal contributors to the production of Isis Unveiled were enlightened living men of great learning and wisdom they were joined by at least one disincarnate yet earth bound entity Sir Henry More of the truest Platonists of modern times a precious ornament to our race a glory to his country and so pure and unselfish that the Masters held him in profound esteem Sir Henry s mind had been so intensely employed in purely intellectual speculation that his spirituality had been temporarily stifled Though he did not materialize and sit with us he would converse with Mme Blavatsky psychically dictating copy telling her what references to trace answering Olcott s questions and making scholarly contributions to the literary symposium When Mme Blavatsky first arrived in America she could hardly speak or write English Having learned a good deal of English from her Master and Teacher His verbal expressions and construction of sentences can be traced like the course of a river throughout her writings Madame Blavatsky admitted that the first edition of Isis

Unveiled hailed by some as masterpiece and monumental work had given her more anxiety and trouble than anything else during a lifetime more full of thorns than of roses it had no system in it as if a mass of unconnected paragraphs shaken up in a wastebasket taken out at random and published with hideous metamorphoses of one word into another misprints and misplaced quotation marks Nevertheless descending from on high like manna from heaven Isis has been appreciated by those who by separating the kernel of wisdom from the dead shell can discern the true from the false Regardless of its literary shortcomings Isis affords lucid glimpses to hitherto concealed regions of Eastern Knowledge over which Western minds have brooded silently until 1877 And to this day Isis Unveiled remains a Treasure of Light and Knowledge which exceeds all riches Little wonder that Isis Unveiled unleashed an unprecedented torrent of ugly accusations from venomous and unscrupulous tongues pouring all their wrath upon Mme Blavatsky It was an unholy alliance of libellous charges from fraud and immorality down to the Russian spy and charlatan innuendos accusing Mme Blavatsky of acting on false pretences being a living lie a habitual drunkard an emissary of the Pope an agent of the Jesuits to break down Spiritualism and suchlike absurd yet brutal slander Thought acts independently of the brain which gave it birth Once generated and released that thought will live by its own energy It therefore stands to reason that as thought is beyond space and time when two minds are in perfect psycho magnetic resonance and of these two one is Adept in Occult Sciences then His thoughts from an immeasurable distance become as comprehensible to the other as if spoken across a room Madame Blavatsky's contempt for slanderers was too great to permit her to notice them she left all calumnies and the nauseating filth unrefuted rather than stooping to the gutter and risk dirtying her feet Madame Blavatsky extends her deep gratitude for the vital contributions of 1 Henry Steel Olcott for correcting the English and proof reading Isis suggesting that the work should be divided into chapters and that Vol I to be devoted to Science and Vol II to Theology 2 Alexander Wilder for correcting the Greek Latin and Hebrew words suggesting quotations writing the greater part of the Introduction Before the Veil and compiling a brilliant Index What Mme Blavatsky claims as her own are the fruits of her learning and studying in fields unchartered by modern science and unknown to the West A most reprehensible oversight by Mr J W Bouton Publisher of Isis Unveiled who pretended to be Mme Blavatsky's friend In a brazen and dishonourable move Bouton asserted copyright under his name instructed Dr Alexander Wilder whom he employed as reader to abridge the text as much as it would bear and refused every proposition afterward to transfer copyright ownership to H P Blavatsky or to drop the price to a reasonable level Isis Unveiled the bestseller in 1877 went through at least twelve reprints each deceptively marketed as new edition by Bouton the assumed copyright owner But as all such editions came from the same printer's plates they perpetuated the same errors and while the print quality kept fading away Bouton's earnings became blessed beyond measure Isis Unveiled was a tentative effort to divert the attention of the Spiritualists from their hard crusted preconceptions to the true state of post mortem existence However Isis was not entirely unveiled but rents sufficiently large were made to afford flitting glances by the student's spiritual insight There is no

contradiction between a passage referred as the Trinity Doctrine man's imperishable monas i.e. Atman Buddhi Manas and the later theosophical teachings simply because the Septenary Constitution of Man had not been divulged at the time when Isis was written. The publication of Isis unleashed petty and virulent criticism regarding the provenance of quotations from and references to various authorities. As no accusations could be made against its sublime philosophical concepts bringing out to everyone whether profane or profound Occult Knowledge and Truths we can safely conclude that the sole aim of the ruthless and opinionated literary criticism was to discredit Mme Blavatsky. Ingratitude brings about its own demise and irrelevancy. No amount of scholarly criticism can justify the unsubstantiated accusations of wholesale plagiarism especially when the sincerity of purpose and noble objective of Isis Unveiled have been acclaimed by independent thinkers and highly esteemed by those who read it. In January 1884 Mme Blavatsky began rewriting and amplifying Isis Unveiled expanding it like the bud of the lotus and calling it The Secret Doctrine unquestionably the magnum opus of the modern age. Vol I was published in October 1888. Back in October 1885 Mme Blavatsky said that the new Isis was an entirely new work freed from useless stuff and without even twenty pages imported from the old Isis. Dogmas and doctrines laws secular and divine myths and mysteries signs and symbols are now expounded in the light of the perennial fountainhead of Ageless Wisdom whose eloquence flows from the heart not the lips. The present Centennial Edition published to coincide with The Theosophical Society's Centennial in 1975 is a heartfelt tribute of gratitude to the Masters of Wisdom behind Isis Unveiled by those whose eyes have since opened to new vistas of cosmic splendour and inspiration above and beyond the narrow horizons of crystallized and despotic faiths. Superbly written and in defiance of its literary shortcomings the authoritative character of Isis Unveiled has never been questioned and its intrinsic value has not been superseded or duplicated by The Secret Doctrine. The aim and plan of Isis Unveiled was three fold: 2 To lay bare the archaic records of man's divine ancestry and heritage; 3 To throw down the gauntlet to those who appropriated it for their own benefit and power in the hope that their crime will remain undetected by posterity. Stirring up man's latent potentialities Isis dilates the most exalted aspirations of Spirit expands man's consciousness and by providing a sound basis for elevated morality and tenderness it kindles the flame of brotherly love and sympathy with every living creature whether human or animal for none of us live for ourselves we all live in and for each other. Part 2 Preface to Isis Unveiled: The perennial outflow of Eastern Philosophy has room for no other faith than absolute trust and reliance in the omnipotence of Man's Divine Self. Isis Unveiled shows that Mysteries are no mystery save the idle speculations of the twittering mystery mongers. The drift of modern thought is palpably in the direction of liberalism in religion and is poised to seize from theology and sceptical science the lawful domains of cosmogonical doctrine and metaphysical philosophy. The far right conservatives must surrender their despotic authority over the public conscience which they have for so long enjoyed with impunity by enforcing their lofty infallibility under the penalty of opprobrium. Faith is the key of Christendom and when that key is broken and lost verily Christendom is lost and stands vain and without fruit.

Long centuries of ecclesiastical oppression inquisition and papal dispensation for murder and mayhem have not quite congealed the life blood of men into crystals around a blind spot of delusion overpowering the intellect The Wisdom Religion of Theosophy is the once Universal Religion of Reason and Mother parent of all religions harmonizing the divine with the human in man and unifying the great diversity of beliefs creeds and opinions The enemies of Truth and those for whom the price of a paragraph is more than the value of sincerity are now arraigned for all to see Mysteries are Sacred Truths hidden from the sight of the profane Mysteries are the heirloom of Archaic Wisdom Owing to the rapid spread of vanity and selfishness the twin causes of sin and suffering hindering Nature s ultimate possibilities Truth was concealed in symbols an imperative necessity to protect Her from desecration and to forestall brutality in men A thin veil used at first had to be gradually thickened to stem the tides of personality and immorality and this led to the establishment of Mysteries to safeguard Sacred Truth against profanation by the multitude Divine Magic makes of man a God human magic creates a new fiend When the veil of Isis is finally lifted the Spirit of Truth Christos will inspire audibly the pure in heart Theopneusty paving the Royal Road to Divine Magic Theurgy As every heavenly and human body is a temple of the Holy Spirit so Mysteries are the temple of the Earth And the temple of Devotional Love Bhakti is the Secret Heart in every man sanctuary of his innermost divine intuitions The sublime mysteries of what is called today so unphilosophically creation were divulged to the elect of our Fifth Root Race Aryan progeny of the preceding Fourth Atlantean

Light of the Word Hans Urs Von Balthasar,2012-09-11 It is not only the Catholics who attend Sunday Mass but also the priests who preach at Mass who feel overwhelmed by the three scripture readings in which for the most part only the first from the Old Testament and the third from the Gospel have any interconnection while the second from the apostolic letters stands by itself This book seeks to present the common theses that connect all three of the readings for Sundays and feasts of the Lord in the three year cycle of readings The reflections here are meant to be theological and spiritual suggestions that the one who is preaching can develop further and from which he can select individual perspectives Rather than seeking immediately concrete applications Fr von Balthasar attempts to elucidate the content which is immediately present in the passages Organized by each Sunday and feast day of the liturgical year for years A B C these reflections are meant to be theological and spiritual suggestions that the one who is preaching can develop further and from which he can select individual perspectives

Badcock,1997 The doctrine of the Holy Spirit has often been a neglected theme in Christian thought In Light of Truth and Fire of Love Gary D Badcock attempts to redress this theological imbalance and to reassert the centrality of the doctrine of the Spirit in Christian theology Badcock begins by surveying what both the Old and New Testaments have to say about the Spirit Next he traces the history of the theology of the Spirit examining a number of crucial episodes and questions in the field of pneumatology in the history of Christian thought and then proceeds to develop a contemporary theology of the Spirit Badcock goes on to relate this theology of the Spirit to the theological enterprise initiated by Karl Barth earlier in this century the return to the doctrine of the Trinity as the framework for Christian reflection Setting forth the positive and negative results of much of contemporary trinitarian theology Badcock ultimately makes a case for a balanced doctrine of the Word and the Spirit in which neither is subordinated to the other **The Rainbow, a magazine of Christian literature**,1874 *An Antidote against Quakerisme: wherein these following questions are opened, the truth concerning them proved ... Whether the Scriptures or the light in every man be our guide to Heaven? Whether the light in every man be a saving light? ... Whether perfection ... be attainable in this life? Whether Baptism with water be an ordinance of Christ binding us? Whether the Supper be an ordinance of Christ binding us? Whether Justification be by the righteousness of Christ imputed?.* Stephen Scandrett,1671
