**The Trial of the Gospel** Alexandru Neagoe,2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke's writings as an apologetic work by focusing on those parts of Luke's story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke's apologia pro evangelio a purpose which is in keeping with the author's declared aim to give his readers assurance about the matters in which they had been instructed Luke 1:4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel's confirmation     **African Women's Liberating**

Katembo, 2020-11-30 The Pauline epistles

are filled with beautiful and provocative metaphors for the church it is a bride a body a flock a temple Each of these metaphors emphasizes the central unity and indivisibility of the people of God Yet how do Christians live out this unity in the face of ethnic conflict tribalism and political divisions In this powerful application of Paul s teaching Fabrice S Katembo explores the mystery of the church in an African context arguing that the greatest challenge facing God s people is not external threat but internal discord Katembo draws his reader s attention back to the unifying work of Christ who died to abolish all walls of separation and in whom we are one no matter the tongue tribe or nation Providing an overview of Paul s life and ministry and engaging the work of renown theologians such as John Mbiti and Kwame Bediako this is an excellent resource for anyone facing intercultural tensions within the church It is also a vital reminder that far from harmless divisions between believers threaten to cripple the body of Christ by distorting its witness injuring its members and separating what Christ died to unify **Gospels of Matthew and Mark** Willis C.
