The Of Yaak:

The Book of Yaak Rick Bass, 2024-03-19 The Yaak Valley of northwestern Montana is one of the last great wild places in the United States a land of black bears and grizzlies wolves and coyotes bald and golden eagles wolverine lynx marten fisher elk and even a handful of humans It is a land of magic but its magic may not be enough to save it from the forces threatening it now The Yaak does have one trick up its sleeve though a writer to give it voice In Winter Rick Bass portrayed the wonder of living in the valley In The Book of Yaak he captures the soul of the valley itself and he shows how if places like the Yaak are lost we too are lost Rick Bass has never been a writer to hold back but The Book of Yaak is his most passionate book yet a dramatic narrative of a man fighting to defend the place he loves
