**Listening, Religion, and Democracy in Contemporary Boston** William W. Young III, 2018-11-01 This book is a study of religious practices of listening in the Boston area Through ethnographic study of a variety of religious communities with an extensive focus on Quaker listening it argues that religious practice shapes our habits of listening by creating a plurality of regimes of listening across Boston's landscape These practices moreover cultivate specific dispositions as well as distinct patterns of religious and democratic virtues Through these dispositions and virtues religious listening facilitates a diverse range of forms of democratic engagement and varied contributions to the pursuit of social justice William Young provides an innovative interpretation of these religious practices It argues that insofar as religious listening helps practitioners to extend and amplify their listening and makes them more responsive to their communities it creates a social mode of embodied receptivity and agency Through both their listening and their actions these groups express their conceptions of divinity embodying divine attributes and activity within the sociopolitical realm serving as God's ears within the world It is by interpreting their practices as creating modes of social discipline reception and agency that the book explicates the full significance of religious listening in its adaptations and extensions of our aural capacities and their implications for sociopolitical life

**Prayer and the Scoutmaster** Phillip Eldridge Williams, 2012-03-19 The glaring question here is what does Prayer have to do with whatever Scoutmaster is This book is the effort to show that they indeed are one and the same From the Oath On my honor I will do my best to do my duty to God and my country to the last point of the Scout Law being Reverent Williams examines the ins and outs of the intricacies of prayer How to listen how to help others listen and the temptations that have plagued mankind from the beginning to look elsewhere for his answers when indeed they are as close as breathing and nearer than hands or feet One may have little knowledge of the Boy Scouts of America but what you see in this definition of prayer will either confirm your faith or challenge you to grow in the exercise of the same

Praying The Scriptures Judson Cornwall,2012-10-08 One of the most frustrating aspects of prayer is finding the right vocabulary to express what is in your heart Praying the Scriptures inspires illuminates gives imagery intelligence adds

intensity and helps provide intimacy in prayer      The History and Revelation of the Lord's Recovery Witness Lee, 2025-03-14

In these two volumes Witness Lee gives a detailed account of sixty years of the Lord's recovery work and revelation beginning in China with Brother Watchman Nee and continuing through Brother Lee's own salvation and subsequent service. From October 1921 until October 1981 has been exactly sixty years. We are not here to narrate past events or to tell stories but to relate historical facts. Our burden is to see the preciousness of our revelation and to know its history. We will also consider the facts that show how history has confirmed this revelation. This study is a matter of extreme value. I believe that after this training you will be clear about the kind of people you are and the difference between you and others in the midst of this dark and confused generation. If we are clear on these points we will be able to do a clear work to bear a clear testimony and also to be clear in leading others in the future.      **Listen Up** Marty Machowski, 2018-04-16

Children love stories and the parables provide a wonderful opportunity to engage their imaginations and help them understand and live out the good news of the kingdom of God. This thirteen week family devotional is designed to help families explore the parables that Jesus taught through reading selected parables, activities, discussion.      **The Prayer Bible** Elmer Towns, Roy B. Zuck, 2014-04-21

The key to seeing all your prayers answered is simple: pray the words of Scripture back to God. Since the Bible is God's Word and it reveals God's heart, you will become closer to the Lord as you pray the timeless truths of Scripture when talking to God. You are actually praying His Word back to Him. With the Scripture presented in a fresh contemporary version, *The Paraphrase Prayer Bible* will show you how to pray based on the Word of God. Throughout these pages you will find verses that help you direct your prayers toward God in offering praise, making specific prayer requests, communion and intimacy, worship, and more. *The Prayer Bible* will help you connect with God in a powerful new way as you pray the Scripture back to Him, learn how to personalize the Bible, and watch the Word of God come alive like never before.      **From Log Cabin to the Pulpit** William H. Robinson, 1913      **The One Year Devotions for Women** Ann Spangler, 2012

Peace don't we all want just a little more peace in our lives. Peace in relationships. Peace at home and at work. Peace from painful memories. Release from pressures and demands that threaten to crush us. Is there a way to find peace in all these areas? What if we could build a moment of peace into every day of the year, opening our hearts to the peace God has promised? Wouldn't it be great to live with less fear and anxiety and with more confidence and joy? *The One Year Devotions for Women: Becoming a Woman at Peace* is a chance to spend time with God every day to breathe deeply and grab onto the kind of peace that only God can offer, a peace far richer and more satisfying than anything we can hope or imagine. Each of these uplifting devotions includes a key NLT Scripture verse, a devotional reading, and a suggested prayer for connecting with God.      Parenting the Bible Way Sherry Ronke, 2019-02-13
