The Opium Clippers Basil Lubbock,1933 THE OPIUM CLIPPERS. BY BASIL LUBBOCK. Basil Lubbock,1967 The Opium Clippers Basil Lubbock,1946 **Opium Clippers** Neja Tomšič,2018 **The China Clippers** Basil Lubbock,1929

The China Clippers Basil Lubbock,2015-02-15 This book is an effort to preserve the records of the most perfect type of sailing ship at the very height of its development and it has been written entirely for sailors and those who are interested in shipping I have put down as simply as possible the personal history of certain ships and that in the plain language of the sea without any attempt to explain technical or seafaring terms for the benefit of the landsman The material gathered together in this book has been culled from countless abstract log books as well as from information supplied to me not only by the men who sailed the ships but also by their owners designers and builders Indeed I have to thank so many people for their help that a page of print would not contain their names and I can only hope that this book may perhaps recall some pleasant sea memories and thus in some slight way recompense them for their kindness and trouble Reprint of the original edition 1899

The India-China Opium Trade in the Nineteenth Century Hunt Janin,1999-01-01 From 1823 to 1860 a fleet of small fast brigs and schooners carried chests of opium from India to China often facing the challenges of pirates and typhoons along the way This shadowy trade conducted by American British and Indian firms thrived despite its moral and legal consequences Drawing largely on primary sources the story of the opium trade comes through in the voices of those who saw it firsthand Appendices describe a favorite shipboard recipe two of the ships involved in the trade and their crews excerpts from accounts of the Opium War and language equivalents for proper and place names A bibliography is included and maps and photographs help illumine this important and unusual period of history

The Great Clippers Jane D. Lyon,2016-08-12 Against great odds a small group of patriots built a fleet that proved one of the decisive factors in the American Revolution and the War of 1812 These wealthy men had founded the first banks in the United States and built its first railroads factories and steamships Now they were to cap their achievements by making their young country equally superior in size and in the process producing the greatest swiftest and most beautiful craft the world had ever seen the clipper ship This book not only traces the origins and achievements of the clipper but enlivens the dry bones of historic fact with the flesh and blood of clipper captains and crews A great era comes to life with their courageous tenacious stories

Clipper Ships and the Golden Age of Sail Sam Jefferson,2014-11-04 A beautiful illustrated history of the most exciting and compelling races and rivalries of the clipper ship era featuring the stories of legendary boats such as Marco Polo and the Cutty Sark
