## **The Order Is Given Author Inscribed:**

*The Priestly Blessing in Inscription and Scripture* Jeremy Daniel Smoak, 2016 Jeremy Smoak presents a synthesis of recent discoveries bearing upon the early history and function of the biblical priestly blessing of Numbers 6:24-26. The book gives special focus to the importance of the discovery of the blessing on two silver amulets from Jerusalem dating to the late Iron Age and several other Iron Age inscriptions containing parallels to the blessing. The analysis of the inscriptions provides a new way to approach the meaning and significance of the instructions for the blessing in the biblical book of Numbers.

E. Griffiths, 1789 A monthly book announcement and review journal. Considered to be the first periodical in England to offer reviews. In each issue the longer reviews are in the front section followed by short reviews of lesser works. It featured the novelist and poet Oliver Goldsmith as an early contributor. Griffiths himself and likely his wife Isabella Griffiths contributed review articles to the periodical. Later contributors included Dr Charles Burney, John Cleland, Theophilus Cibber, James Grainger, Anna Letitia Barbauld, Elizabeth Moody, and Tobias Smollet. *The authors of England, portraits engraved by A. Professor Jon Paulien Loma, Linda University, USA. In *Jesus: The Portrait and Inscription of God*, the author pours his years of research into addressing the issue that Jon Paulien highlights. Paki builds an intriguing case for a dual-focused method of interpreting Revelation. He uses this method to show i) that Revelation was written primarily to John and his initial audience; ii) that the same prophecies also speak to us with clarity and force; iii) Then he wonders if God intentionally used the same material to speak to an audience then and now. When this method is applied to Revelation 1:3, the text does come alive. Deep theological truths and nuggets extracted are way too

interacting with the concept renegotiating it enriching it with new meanings and challenging established associations All the available literary epigraphic and archaeological sources on Fortuna are explored here in depth including analyses of all the attested sanctuaries of the goddess in Italy an updated study of inscribed gifts offered to her by a variety of individuals and discussion of how authors such as Cicero and Caesar wrote about Fortuna chance and good luck This study of the goddess based on conceptual analysis serves to construct a radically new picture of the historical development of this deity in the context of the cultural interactions taking place in ancient Italy and also suggests a new approach to polytheism based on an exploration of the connection between gods and goddesses and concepts

**Police Writing and Radical Modernisation in the Porfiriato and the Conservative Republic (1870s-1910s)** Agustina Carrizo de Reimann, 2024-08-30 This book explores the process of modernisation during the Porfiriato and the Conservative republic from the perspective of one of its most erratic agents the urban police Taking a pragmatolinguistic approach this book examines police bureaucratic journalistic and literary writing practices that flourished in the wake of police professionalisation and in response to the demands of state expansion urban order and cultural disciplining It outlines the precarious state of an institution that had to redefine itself in the face of change as well as policemen s attempts to enforce and imagine different modes of doing modern estate society and culture Integrating classical sociological theories and perspectives from Latin American police studies with debates on republican modernity this study argues for an understanding of fin de siècle modernisation as a process of radical transformation rather than a maladaptation to Western modernity or blunt heteronomy With its comparative approach and theoretically informed analysis this book will appeal to scholars exploring police formation in Argentina and Mexico seeking new insights into this key period of national organisation and questioning the premises underlying the interpretation of modernity The transdisciplinary approach will be of interest to researchers of writing cultures and postgraduate students wishing to engage critically with the sources of history

**The Apocalyptic Letter to the Galatians** James M. Scott, 2021-05-18 One apocalyptic reading of Paul s letter to the Galatians has been attempted before and is now widely accepted but that reading is not based on a thorough engagement with Jewish apocalyptic traditions of the Second Temple period In this book James M Scott argues that there is an essential continuity between Galatians and Paul s Jewish past and that Paul uses the

apocalyptic Epistle of Enoch 1 Enoch 92 105 as a literary model for his own letter Scott first contextualizes the Epistle of Enoch using the entire Enochic corpus and explores the extensive similarities and some significant differences between the Enochic tradition and early Stoicism Then he turns to deal specifically with Paul s letter to the Galatians showing that despite their obvious differences the two apocalyptic letters have some remarkable features in common as well This approach to the interpretation of Galatians fundamentally stands to change the way biblical scholars understand Paul s letter and the gospel that he preached Paul is within Judaism if the net for what is included in Judaism is wide enough to encompass the Enochic tradition     *The Autograph* ,1911     **The Gregg Writer** ,1928
