Landreville, 2018-02-23 This book is a walk into the inner lives of our military personnel where fear pain and anxiety are intermingled with intense love and a sobering dedication to the protection of our nation Issues like these are personal at times full of hurt turning a normal life into a frightening sleep deprived existence At other times life is full of love and family and satisfaction for successfully completing seeming impossible tasks This is an area of combat where the chaplain is most involved He doesn t carry a rifle or sidearm His weapon is his relationship with God and a commitment to bring God into the resolution process The chaplain spends his life living with our military personnel sharing their hardships fears and joys and being a part of military families

those who ultimately complete their personal lives To serve is an honor To serve as a chaplain is a privilege allowing us to encounter life lived to its fullness *Life on the Other Side of My Neighbourhood* Angeleen Chenesai Magwizi,2024-02-02

Often we traverse through life in a bubble oblivious to the realities unfolding just across the neighbourhood It s not deliberate but a common human tendency Yet when a sliver of life on the other side catches our eye it prompts a riveting realization do we indeed inhabit the same world This newfound perspective might send shivers down your spine as you grapple with the stark contrasts of life especially in the landscape of Southern Africa Here countless souls are relegated to the status of desperadoes their lives shackled by the chains of poverty a situation exacerbated by the haunting shadows of colonization How I yearn for our leaders to don disguises to walk a mile in the shoes of those on the other side of the neighbourhood Such an experience could unveil the crushing repercussions of lacklustre governance on the future generations of Southern Africa Perhaps then they might reconsider their leadership ethos valuing citizens as beings of emotion and aspiration not merely as ballot ticks Through the lens of an ordinary South African immigrant this narrative unfolds a tapestry of daily challenges endeavouring to offer you a deeper understanding As you traverse through her journey may it spark a transformation within urging you to look beyond the familiar and delve into the unseen narratives that share our world yet remain veiled in the mists of unawareness
