Realms Of Forgotten Worlds Albert Taylor,2017-06-26 Introducing a fabulous sci fi adventure that will take your reading experience to a whole other level Author Albert Taylor puts together a super complex adventure where you as the reader decide on how the story develops Sounds too good to be true well it s here and packed with 71 different ways to make or break your story It s your story so you decide The author Albert Taylor has been inspired by sci fi even before he could even walk so this is the masterpiece he has been yearning to create for a very very long time Ever since he was a child he has dreamed of creating his own style of science fiction and finally it has become a possibility Much more than just a simple book the author has packed it with another dream the dream of converting a simple book into something the reader could take and modify to his or her own desire If you never liked the end of your favorite story well here you actually have the option of changing that You can end the story as tragically or heroically as you want to You can run or hide or just confront the multitudes of challenges that will try and end your story Basically if you are accustomed to the author leading you by the hand throughout the story to the very end you will find that it s not going to happen here Consider that style to be kindergarten for readers who depend on someone else telling them that there is no other way to go Here you will have to

come up with your own plan of survival or face the consequences for reckless decisions In this story the concept of parallel worlds is looked at in a more drastic real life type of way You re pretty much faced with the big question of what would I do if I discovered a parallel world A million things probably come to mind along with the big question of how to get back home That s the story in the nutshell and you can go many ways and even end up in some places where you would like to hang out a bit more You can go that route but you may find that it s not at all that easy since your very presence has moved entire worlds Your presence may have altered a bit more than you may have imagined but leave that to book II which is in reality your goal If you survive and reach book II then you have successfully reconstructed something compatible to the original story You may want to get there another way though which is not at all bad and you may even be shocked to find out that there was a much better way to get to the end
