order to uncover an unconscious Irish mythological and linguistic space in language His approach to language experimentation is Yeatsian and this is what the author terms as paleo postmodern Thus the project considers how Mac Intyre incorporates Yeatsian revivalism with postmodern deconstruction in his drama and short stories **The John Brown Invasion; an Authentic History of the Harper's Ferry Tragedy with Full Details of the Capture, Trial, and Execution of the Invaders (etc.)** Thomas Drew,1860 **Hearings** United States. Incorporation, Authorship, and Anglo-American Literature (1815-1918) Jasper Schelstraete,2019-06-25 Incorporation Authorship and Anglo American Literature 1815 1918 is concerned with the new ways in which nineteenth century authors came to imagine nationhood in response to the emergent global market It investigates how authors negotiated a largely unregulated global economic space both imaginatively in their representations of it and pragmatically through author publisher agreements to circumvent the lack of transnational copyright or through market driven self censorship for different audiences Until now scholarship has struggled to find a single dynamic from which to

consider the Anglo American transatlantic cultural field and transnational fields more generally This volume offers that single dynamic through an innovative and interdisciplinary approach that brings together the research areas of literary and transnational studies with economic history It shows how the positional national identities constructed by nineteenth century texts were informed by economic self interest in the emergent global marketplace Through a series of case studies the book analyses how contemporary economic innovations determined nineteenth century concepts of national and cultural self identification Presented within four main body chapters each considers two case studies of nineteenth century authors that are in productive contrast including pairings between Herman Melville and Washington Irving E D E N Southworth and Anthony Trollope Charles Dickens and Harriet Beecher Stowe and finally Thomas Hardy and Joseph Conrad
