

List Of Songs By Category

I have categorized songs under various headings such as **grammar**, **discussion topics** and **vocabulary**. The **grammar** group has been divided according to suggested use e.g. **articles**; **present simple** etc. The **vocabulary** group has been divided according to focus e.g. **colours**; **weather** etc. This list is by no means comprehensive. It has been compiled mostly from my own experience and from ideas from various websites including www.musicalenglishlessons.org. Sometimes it is difficult to decide if a category belongs under 'Grammar' or under 'Vocabulary' so please check both if you are looking for something specific.

Any song can be used for grammar and vocabulary tasks so I have concentrated on what I thought to be the main focus.
