The Long View:

The Long View Richard Fisher, 2023-03-30 A wide ranging and thought provoking exploration of the importance of long term thinking Humans are unique in our ability to understand time able to comprehend the past and future like no other species Yet modern day technology and capitalism have supercharged our short termist tendencies and trapped us in the present at the mercy of reactive politics quarterly business targets and 24 hour news cycles It wasn't always so In medieval times craftsmen worked on cathedrals that would be unfinished in their lifetime Indigenous leaders fostered intergenerational reciprocity And in the early twentieth century writers dreamed of worlds thousands of years hence Now as we face long term challenges on an unprecedented scale how do we recapture that far sighted vision Richard Fisher takes us from the boardrooms of Japan home to some of the world's oldest businesses to European laboratories where scientists work as custodians on centuries long experiments He examines the psychological biases that discourage the long view and talks to the growing number of people from the worlds of philosophy technology science and the arts who are exploring smart ways to overcome them How can we learn to widen our perception of time and honour our obligations to the lives of those not yet born

The Longview Roger Parrott, 2010-01-01 Are you rushing to find quick fixes to complex problems Are you overwhelmed by pressure to produce immediate gains Are you aiming at nearsighted remedies instead of long term solutions Become a leader who values transformation over turnaround one who measures eternal outcomes as well as immediate effectiveness This book shows you how Consider it your personal guide to a leadership lifestyle of lasting significance The Longview will revolutionize the way you lead Now more than ever leaders everywhere are realizing that short term thinking doesn't work The Longview by Dr Roger Parrott is essential medicine for today's hurry up quick fix lifestyle Read this book read it again and apply its message to your life Ken Blanchard coauthor of The One Minute Manager and Lead Like Jesus Roger Parrott is indeed a leader who looks at things from a long range perspective I have had the privilege of knowing him and watching him lead for many years Not only does he model good leadership but he also seeks to help others lead well Steve Douglass president of Campus Crusade for Christ Roger Parrott has demonstrated over the years that true Christian leadership is a matter of integrity performed with excellence When you live a life like that you can't help but have followers In his new book The Longview Lasting Strategies for Rising Leaders he provides weathered advice to young men and women on leading with honesty and truthfulness I highly recommend it Joni Eareckson Tada JAF International Disability Center Leaders in the United States have needed to heed the message of this book for years Roger Parrott explains how leaders can best serve their people and the organizations they lead Leading others is like running a marathon not a sprint and Roger Parrott is a leadership marathoner par excellence I highly recommend this book D Michael Lindsay author of Faith in the Halls of Power
