The Losing Parties:

Centre Parties Reuven Y. Hazan, 1998-04-17 What kind of impact do centre parties have in parliamentary democracies How does the existence and growth of centre parties affect party system polarization electoral competition and government stability This text reassesses the perception of centre parties as a force of moderation The author argues that this intuitive judgement which has become accepted by political scientists is dubious if not incorrect He examines contemporary centre parties in Europe and asserts that the opposing tendency of centre parties contributes to party system polarization

The Hollow Parties Daniel Schlozman, Sam Rosenfeld, 2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America's political parties Featured on The Ezra Klein Show and The Weekly Show with Jon Stewart America's political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today's parties at once overbearing and ineffectual have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party's first generation who stood up to the Slave Power And they show how today's fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity The Hollow Parties offers powerful answers to pressing questions about how the nation's parties became so dysfunctional and how they might yet realize their promise

Parties, 1928

The Dilemma of Compliance Svitlana Chernykh, 2024-12-17 Over the past twenty years the causes and consequences of post election disputes have become one of the most compelling topics of research in political science Between 2012 and 2022 political parties challenged the results of more than 25 percent of elections When democratic transitions are dependent on the willingness of participants to accept defeat political parties can undermine election based democracy by rejecting the outcome As the world enters the fourth decade since the start of the third wave of democratization the question of whether election losers will comply or reject election outcomes is more and more pressing The Dilemma of Compliance analyzes this phenomenon at the level of political parties raising three important questions Why do some political parties refuse to comply with election results What determines the strategies they use to contest the outcomes What consequences do post election disputes have for the political parties that initiate them To answer these questions this book draws on an original dataset of post election responses encompassing over 300 political parties which participated in 270 elections held in twenty two

countries of Eastern Europe and the former Soviet Union over a period of more than two decades In doing so it offers a new theoretical framework for studying electoral compliance in comparative perspective and advances research on democratic transition democracy promotion post election protests and party politics

Political Parties, Pressure Groups and Social Movements Dr. Ram Ayodhya Singh, 2021-09-15 A political party is a political organization that typically seeks to influence government policy usually by nominating their own candidates and trying to seat them in political office Parties participate in electoral campaigns and educational outreach or protest actions Parties often espouse an expressed ideology or vision bolstered by a written platform with specific goals forming a coalition among disparate interests An advocacy group is a group or an organization which tries to influence the government but does not hold power in the government A single issue group may form in response to a particular issue area sometimes in response to a single event or threat Some have developed into important social political institutions or social movements Some powerful Lobby groups have been accused of manipulating the democratic system for narrow commercial gain and in some instances have been found guilty of corruption fraud bribery and other serious crimes lobbying has become increasingly regulated as a result Some groups generally ones with less financial resources may use direct action and civil disobedience and in some cases are accused of being a threat to the social order or domestic extremists Research is beginning to explore how advocacy groups use social media to facilitate civic engagement and collective action

Contents Political Parties The Role of Political Parties in Constitutionalising Governance The Systemic Role of Parties and Interest Groups Functions of Pressure Groups Growth of Pressure Groups Legal Representation of Interests Social Movement Social Movement in India

International Commercial Arbitration in Hong Kong Stephen D. Mau, 2019-10-21 International Commercial Arbitration in Hong Kong A Guide provides an essential introduction to commercial arbitration law and practices focusing on Hong Kong as an example of a model law jurisdiction with a pro arbitration stance With the evolution and increasing popularity of dispute resolution in the international arena one is no longer able to rely purely on knowledge of the local law and practices This timely book is written in simple English and clearly arranged in a step by step format Newcomers to this legal field will find the principles covered in the book easy to understand It begins with an overview of the various Alternative Dispute Resolution choices available in Hong Kong The remainder of the book covers all the aspects that one needs to know about commercial arbitration including the advantages and disadvantages of arbitration in general the laws and rules the appointment of a sole arbitrator or a tribunal the arbitrator s jurisdiction duties and authorities and how they are defined within the Arbitration Ordinance Cap 609 the arbitration process the contents of an arbitral award and the recognition and enforcement of the award and cost saving techniques in arbitration Experienced arbitrators and senior legal practitioners will also find International Commercial Arbitration in Hong Kong A Guide to be a valuable reference on the various concepts and latest case precedents Dr Stephen Mau s reference book provides invaluable expert guidance on international commercial

arbitration and other ADR mechanisms in Hong Kong The book offers in depth practical as well as theoretical analysis of the main features associated with Hong Kong s international commercial arbitration market It should be of great use not only to professionals and academics in the field of international arbitration but also to anyone interested in learning about out of court dispute resolution in Hong Kong Professor Dr Nayla Comair Obeid former president Chartered Institute of Arbitrators This book provides a simple yet comprehensive framework of conducting an arbitration with the essential elements that are crucial in managing a dispute within the jurisdictional context of Hong Kong The book is written in a way all readers such as students lawyers arbitration practitioners and academics will find the contents to be current precise easy to follow and above all a pleasure to read Dr Christopher To barrister at law Gilt Chambers *The State of the Parties 2018* John J. Green, Daniel J. Coffey, David B. Cohen, 2018-09-25 The State of the Parties 2018 brings together leading scholars of parties elections and interest groups to provide an indispensable overview of American political parties today The 2016 presidential election was extraordinary especially the unexpected nomination and election of Donald Trump to the White House What role did political parties play in these events How did the party organizations fare What are the implications for the future Scholars and practitioners from throughout the United States explore the current state of American party organizations constituencies and resources at the national state and local level Contributions by Alan Abramowitz Joseph Anthony Julia R Azari Paul A Beck Edward G Carmines Tyler Chance Daniel J Coffey David B Cohen Diana Dwyre Michael J Ensley John C Green Richard Gunther Jennifer A Heerwig Paul S Herrnson Caitlin E Jewitt David C Kimball Robin Kolodny Drew Kurlowski Seth Masket Erik C Nisbet Sam Rosenfeld Daniel Schlozman Mildred A Schwartz Daniel M Shea Doug Spencer Wayne Steger Jeffrey M Stonecash Eric C Vorst Michael W Wagner and Steven W Webster Empowering Progressive Third Parties in the United States Jonathan H. Martin, 2015-11-19 This ground breaking collection of writings explores how progressive third parties in the U S can become more electorally successful and politically influential It is the only recently published book that focuses exclusively on how such parties may advance Their rise may be essential to countering the powerful growing sway of wealth within the two major American parties and to creating a more just democratic United States Contributors include key participants in and observers of the U S left third party movement Nearly all have previously authored books or articles on progressive politics Many have led effective left third party efforts and some have held elected office on behalf of a progressive third party Together the writers reflect on a wide range of relevant parties including the Green Party the Vermont Progressive Party the Labor Party the Working Families Party Socialist Alternative and potential new parties on the American left The authors highlight a variety of strategies and conditions that may facilitate electoral breakthroughs by such parties and their candidates Overall the collection suggests that U S progressive third parties may make more headway if they thoughtfully combine their idealism and sense of urgency with a flexible pragmatic approach to gaining power

Georgia. Supreme Court, 1909 Recognition and Enforcement of Foreign Arbitral Awards in Russia and Former USSR States Roman Zykov, 2021-04-22 The 15 sovereign states that emerged from the dissolution of the Union of Soviet Socialist Republics USSR in 1991 having all adopted the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards today are drawing increasing attention from international law firms and global arbitral institutions This book compiled under the editorship of the Secretary General of the Russian Arbitration Association is the first full scale commentary in English on the application of the New York Convention in Russia and the other 14 former USSR states with attention also to the various relevant national laws and procedures A total of 71 contributors all leading experts on arbitration and litigation in the covered jurisdictions provide in depth research encompassing the following approaches article by article commentary on the New York Convention with emphasis on the practice of Russian state commercial arbitrazh courts commentary on the relevant provisions of the Russian International Commercial Arbitration Law and the Code of Commercial Procedure analysis of law and practice on setting aside recognition and enforcement of arbitral awards in all non Russian former USSR states state by state written by experts in each jurisdiction and a unique statistical study of all international commercial arbitration cases under the New York Convention conducted in Russia between 2008 and 2019 showing which grounds of the New York Convention are widely used by the Russian courts in different instances With this detailed information practitioners will be able to understand how judicial developments in the covered jurisdictions have impacted the enforceability of arbitral awards and how parties can take steps to ensure that they secure enforceable awards In addition they will clearly discern the enforcement track record for arbitral awards in Russia and former USSR states and how each jurisdiction treats enforcement applications greatly clarifying decisions on choices by parties and determination of seat of arbitration Because this book makes arbitration law and procedure in Russia and the former USSR states accessible for the first time in English thus assisting evaluation of prospects of enforcing foreign arbitral awards in that part of the world it will be warmly welcomed by in house counsel arbitrators arbitral institutes judges researchers and academics focused on international arbitration

Perceptions of the Independence of Judges in Europe Frans van

Dijk, 2020-12-14 This open access book is about the perception of the independence of the judiciary in Europe Do citizens and judges see its independence in the same way Do judges feel that their independence is respected by the users of the courts by the leadership of the courts and by politicians Does the population trust the judiciary more than other public institutions or less How does independence of the judiciary work at the national level and at the level of the European Union These interrelated questions are particularly relevant in times when the independence of the judiciary is under political pressure in several countries in the European Union giving way to illiberal democracy Revealing surveys among judges lay judges and lawyers in addition to regular surveys of the European Commission provide a wealth of information to answer these questions

While the answers will not please everyone they are of interest to a wide audience in particular court leaders judges lawyers politicians and civil servants **Civil Procedure: Access to Commercial Justice** Petra Butler,Allanah Colley,2025-10-16

The financial burden of litigation continues to be the single most important consideration for parties in determining whether to fight their case in court The financial burden of embarking on civil litigation can influence litigation strategy and determine who has and who is denied access to justice This edition provides a comprehensive study of the financial obstacles of access to justice in civil litigation It draws on the contributions of eighteen jurisdictions to examine what impact the commitment to access to justice has made regarding access to civil litigation *A Constitutional History of the U.S. Supreme Court* Richard Regan,2015 The Supreme Court s decisions concerning the first amendment are hotly debated and the controversy shows no signs of abating as additional cases come before the court Adding much needed historical and philosophical background to the discussion Richard J Regan reconsiders some of the most important Supreme Court cases regarding the establishment clause and the free exercise of religion Pennsylvania county court reports ,1918

Pennsylvania County Court Reports Pennsylvania. County courts,1918 **The Nafta Puzzle** Charles Doran,Gregory P Marchildon,2019-06-21 The editors would like to thank the Donner Foundation the Draeger Foundation and the Government of Canada for their timely and generous support of this study The study was initiated by the editors as part of the research program of the Center of Canadian Studies at the Paul H Nitze School of Advanced International Studies The Johns Hopkins University Washington D C and the emerging affiliated program in North American Studies Particular appreciation goes to Dr Barbara G Doran for the final editing of the entire manuscript In addition to the individuals acknowledged in each of the chapters the editors thank those scholars who helped guide the project at various times with constructive criticism and discussion Tom Barnes Robert Bothwell Reuven Brenner David Calleo Colin Campbell Benjamin Ginsberg Judith Goldstein Peter Katzenstein Allan Kornberg Jonathan Lemco Seymour Martin Lipset Charles Lipson Charles Pearson Richard Rosecrance and Sidney Weintraub **Hearings, Reports and Prints of the Senate Committee on the Judiciary** United States. Congress. Senate. Committee on the Judiciary,1978 **Equal Access to Courts** United States. Congress. Senate. Committee on the Judiciary.
