The Lost Art of Scratch Cooking Curtis Parker, 1997 *The Lost Art of Real Cooking* Ken Albala, Rosanna Nafziger Henderson, 2010-07-06 It s time to take back the kitchen It s time to unlock the pantry and break free from the shackles of ready made industrial food It s time to cook supper The Lost Art of Real Cooking heralds a new old fashioned approach to food laborious and inconvenient yet extraordinarily rewarding and worth bragging about From jam yogurt and fresh pasta to salami smoked meat and strudel Ken Albala and Rosanna Nafziger arm you with the knowledge and skills that let you connect on a deeper level with what goes into your body Ken and Rosanna celebrate the patience it takes to make your own sauerkraut and pickles They divulge the mysteries of capturing wild sourdoughs and culturing butter the beauty of rendering lard making cheese and brewing beer all without the fancy toys that take away from the adventure of truly experiencing your food These foods were once made by the family in the home rather than a factory And they can still be made in the smallest kitchens without expensive equipment capturing flavors that speak of place and personality What you won t find here is a collection of rigid rules for the perfect meal Ken and Rosanna offer a wealth of recipes history and techniques that start with the basics and evolve into dishes that are entirely your own *The Lost Art of Feeding Kids* Jeannie Marshall, 2015-05-05 A lively story of raising a child to enjoy real food in a processed world and the importance of maintaining healthy food cultures Why is it so easy to find sugary cereals and dinosaur shaped chicken nuggets in a grocery store but so hard to shop for nutritious simple food for our children If you ve ever wondered this you re not alone But it might surprise you to learn that this isn t just an American problem Packaged snacks and junk foods are displacing natural home cooked meals throughout the world even in Italy a place we tend to associate with a healthy Mediterranean diet Italian children traditionally sat at the table with the adults and ate everything from anchovies to artichokes Parents passed a love of seasonal regional foods down to their children and this generational appreciation of good food turned Italy into the world culinary capital we ve come to know today When Jeannie Marshall moved from Canada to Rome she found the healthy food culture she expected However she was also amazed to find processed foods aggressively advertised and junk food on every corner While determined to raise her son on a traditional Italian diet Marshall sets out to discover how even a food tradition as entrenched as Italy s can be greatly eroded or even lost in a single generation She takes readers on a journey through the processed food and marketing industries that are re manufacturing our children s diets while also celebrating the pleasures of real food as she walks us through Roman street markets gathering local ingredients from farmers and butchers At once an exploration of the US food industry s global reach and a story of finding the best way to feed her child The Lost Art of Feeding Kids examines not only the role that big food companies play in forming children s tastes and the impact that has on their health but also how parents and communities can push back to create a culture that puts our kids health and happiness ahead of the interests of the food industry **The New Encyclopedia of Southern Culture (Volume 2 of 3) (EasyRead Super Large 24pt**
