**The old dog barks backwards** Ogden Nash,1970      **The old dog barks backwards** Ogden Nash,1973      Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1979 Marietta Chicorel,1979      Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1977 Marietta Chicorel,1978      Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel,1975      The Wisdom of the Great Sam Majdi,2012-03 For nearly two decades he has been reading studying researching and compiling the best and most impressive quotations for writing The Wisdom of The Great The book is about the lives works achievements and quotations of over 450 notables from 50 countries of the world It contains over 2600 quotations in the span of three millenniums 9th century B C to the present time Nearly 250 of the individuals have detailed biographies It is arranged chronically and has a comprehensive glossary names index and subject index What is great about this book is that there are 86 notables 68% whose names are mentioned in the book People Who Made America And 30 people in the book 100 People Who Influenced and Changed the World It is not only a quotation book but also a literary piece a book of biographies and an accurate reference book Read them again and again seeking their wisdom their joy their passion and their beauty The Wisdom of the Great has been accepted for the 2013 Kansas Notable Books List      **Time for a Heart-to-Heart** Bob Mitchell,2017-09-05 Time for a Heart to Heart is not your typical memoir but is rather eclectic in tone at times philosophical poetic poignant uplifting confessional hysterically funny and nostalgic But most of all it is an inspiring story of the triumph of hope and the human spirit in the face of the direst of circumstances and the ultimate challenge of survival People who have gone through significant heart disease or have undergone organ transplants as well as their families and friends will appreciate this book About a year ago Bob Mitchell became very sick He would endure three near fatal episodes of ventricular tachycardia due to a heart muscle comprised of 54% scar tissue as well as heart surgeries two harrowing months of waiting on the transplant list for a new heart on life supporting IV drips during which time a malignant tumor was detected in his kidney partial nephrectomy surgery to remove the cancer another month of waiting 12 hour heart and kidney transplant surgery and 100 days on life support in four different hospitals A novelist at heart Bob s ordeal seemed like a memoir screaming to be written Not simply a narrative of the physical and emotional experience of what it s like to go through and recover from a transplant it is at its core both a thought provoking introspective monologue and an intimate dialogue with the reader concerning life s fundamental conflicts that the author pondered during his ordeal These experiences and tribulations gave clarity and perspective to the things Bob had been thinking teaching and writing for over five decades fear and hope despair and joy failure and success pride and humility thought and feeling control and surrender arbitrariness and justice constriction and freedom youth and age life and death      Collectors, Scholars, and Forgers in the Ancient World Carolyn Higbie,2017-01-26 Collectors Scholars and Forgers in the Ancient World focuses on the fascination which works of art texts and antiquarian objects inspired in Greeks and Romans in

antiquity and draws parallels with other cultures and eras to offer contexts for understanding that fascination Statues bronze weapons books and bones might have been prized for various reasons because they had religious value were the work of highly regarded artists and writers had been possessed by famous mythological figures or were relics of a long disappeared past However attitudes towards these objects also changed over time sculpture which was originally created for a religious purpose became valuable as art and could be removed from its original setting while historians discovered value in inscriptions and other texts for supporting historical arguments and literary scholars sought early manuscripts to establish what authors really wrote As early as the Hellenistic era some Greeks and Romans began to collect objects and might even display them in palaces villas or gardens as these objects acquired value a demand was created for more of them and so copyists and forgers created additional pieces while copyists imitated existing pieces of art sometimes adapting to their new settings forgers created new pieces to complete a collection fill a gap in historical knowledge make some money or to indulge in literary play with knowledgeable readers The study of forged relics is able to reveal not only what artefacts the Greeks and Romans placed value on but also what they believed they understood about their past and how they interpreted the evidence for it Drawing on the latest scholarship on forgery and fakes as well as a range of examples this book combines stories about frauds with an analysis of their significance and illuminates and explores the link between collectors scholars and forgers in order to offer us a way to better understand the power that objects held over the ancient Greeks and Romans

**In Search of Radical Theology** John D. Caputo, 2020-10-06 These sparkling essays from a seasoned scholar are a great breath of fresh air in our claustrophobic and catastrophic time Cornel West Capturing a career's worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re-invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars Journeying from the academy to contemporary American culture In Search of Radical Theology includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo
