The Older The Fiddle The Better The Tune

Alexander Fenton, Hugh (Ed)
CHEAPE, Rosalind K. (Ed) MARSHALL

The Older The Fiddle The Better The Tune:

The Older the Fiddle, the Better the Tune Willard Scott, 2003-05-14 A humorous and touching look at the joys of getting older introduced by one of the Today show's beloved weathermen Willard Scott is famous for celebrating the wit and wisdom of age In The Older the Fiddle the Better the Tune he asks a wide range of people What's the greatest thing about getting older From expressions of delight in senior citizen discounts to sage advice on life's challenges the answers are always surprising often moving and sometimes very funny The book's contributors include Ed Asner Dr Joyce Brothers Helen Gurley Brown Art Buchwald George Bush Sr Bill Cosby Tony Curtis Jimmy Dean Phyllis Diller Mamie Van Doren Hugh Downs Dominick Dunne Betty Friedan Peter Graves Monty Hall Don Hewitt Bob Hope Sybil Jason Bil Keane Kenny Kingston Ed Koch C Evertt Koop Jack Lanne Norman Lear Dick Locher Eugene McCarthy Jayne Meadows Anne Meara Robert Novak Martin Perl Jane Powell Ned Rorem Vidal Sassoon Pete Seeger William F Sharpe Liz Smith Jerry Stiller Dick Thornburgh Stanfield Turner Leona Uris Jack Valenti Mort Walker Andy Williams Also included are pieces from regular folk such as the former mayor of a small town in Pennsylvania and a retired English teacher from Texas If you don't really want to do something you don't have to Unless your wife says it's real important Yogi Berra For me one of the joys of being over 65 is that people have stopped trying to sell me life insurance John Updike You admit that money may be the root of all evil but there is one great soothing recommendation it keeps your children in touch with you Art Linkletter Getting older means having shorter breath but being long winded Maya Angelou Whether you're turning 40 60 or 85 there is something unique to discover about getting older

A Dictionary of American Proverbs Wolfgang Mieder, 1992 Americans have a gift for coining proverbs A picture is worth a thousand words was not as you might imagine the product of ancient Chinese wisdom it was actually minted by advertising executive Fred Barnard in a 1921 advertisement for Printer's Ink magazine After all Americans are first and foremost a practical people and proverbs can be loosely defined as pithy statements that are generally accepted as true and useful The next logical step would be to gather all of this wisdom together for a truly American celebration of shrewd advice A Dictionary of American Proverbs is the first major collection of proverbs in the English language based on oral sources rather than written ones Listed alphabetically according to their most significant key word it features over 15 000 entries including uniquely American proverbs that have never before been recorded as well as thousands of traditional proverbs that have found their way into American speech from classical biblical British continental European and American literature Based on the fieldwork conducted over thirty years by the American Dialect Society this volume is complete with historical references to the earliest written sources and supplies variants and recorded geographical distribution after each proverb Many surprised await the reader in this vast treasure trove of wit and wisdom Collected here are nuggets of popular wisdom on all aspects of American life weather agriculture travel money business food neighbors friends manners government politics law health education religion music song and dance And to further enhance browsing pleasure the editors have

provided a detailed guide to the use of the work While it s true that many of our best known proverbs have been supplied by the ever present Anonymous many more can be attributed to some very famous Americans like Ernest Hemingway Abraham Lincoln Benjamin Franklin Mark Twain J Pierpont Morgan Thomas Alva Edison Abigail Adams and Ralph Waldo Emerson to name but a few offered in this fascinating collection Who wouldn t want to know the origin of the opera ain t over till the fat lady sings This uniquely American proverb and many more are gathered together in A Dictionary of American Proverbs A great resource for students and scholars of literature psychology folklore linguistics anthropology and cultural history this endlessly intriguing volume is also a delightful companion for anyone with an interest in American culture

Russian-English Dictionary of Proverbs and Sayings Alexander Margulis,Asya Kholodnaya,2015-08-13 This dictionary contains 2 375 Russian sayings and proverbs and their English counterparts Variants of each saying are included and careful attention is given to the differences in British and American versions For example the Russian saying that is interpreted as Children behave in a childish way and they cannot be expected to act like grown up people is first given in Russian in the Cyrillic alphabet and then in English and is then followed by the nearest English language equivalent sayings in Britain and the United States Young colts will canter British and Boys will be boys American The proverbs and sayings are arranged alphabetically by the first Russian word in the Cyrillic alphabet and are cross referenced so the reader can find analogous Russian versions of English sayings There is a keyword index for each language one in English one in Russian in the Cyrillic alphabet which allows the reader to find a proverb or a saying without knowing the first word Proverbs and sayings are current and include those popular in both spoken Russian and literature The prefatory matter is in both English and Russian for readers who have a command of either language

Old-Time Music Makers of New York State Simon J. Bronner,1988-01-01 Ask an old timer what life was like in rural upstate New York during the nineteenth and early twentieth centuries and you will hear about the dances and bees that brought villagers and farmers together You will hear of favorite fiddlers who held center stage with dance tunes taken from early British and American sources You will hear of old time music and its significance to a people making the transition from a rural agricultural life to an urban industrial one Old Time Music Makers of New York State is the first book published on this rich legacy of traditional Anglo American music and dance It traces the development of old time music beginning with its movement into New York State from New England in the early nineteenth century and to its combination with commercial country music in the twentieth century Exploring the regional character of the music and its meaning co the people who enjoy it Bronner introduces memorable figures from the major periods in the development of old time music and he places their stories their lives and their music in the context of the region s cultural and historical changes This is much more than a regional study however Bronner brings to the fore issues of national scope and interest He discusses the relationship of old time music to the commercial country music with which it has been closely aligned and he challenges the prevailing wisdom that the origins of country music are in the South

Musician fan folklorist and historian alike will benefit from and enjoy this book The many musical transcriptions annotations photographs and appendixes provide a valuable reference to be used again and again **Old-time Kentucky Fiddle Tunes**

Jeff Todd Titon, The South has always been one of the most distinctive regions of the United States with its own set of traditions and a turbulent history Although often associated with cotton hearty food and rich dialects the South is also noted for its strong sense of religion which has significantly shaped its history Dramatic political social and economic events have often shaped the development of southern religion making the nuanced dissection of the religious history of the region a difficult undertaking For instance segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture Editors Walter H Conser and Rodger M Payne and the book's contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion's place in southern culture now and in the future Southern Crossroads Perspectives on Religion and Culture takes a broad interdisciplinary approach that explores the intersection of religion and various aspects of southern life The volume is organized into three sections such as Religious Aspects of Southern Culture that deal with a variety of topics including food art literature violence ritual shrines music and interactions among religious groups The authors survey many combinations of religion and culture with discussions ranging from the effect of Elvis Presley's music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion The book explores the experiences of immigrant religious groups in the South also dealing with the reactions of native southerners to the groups arriving in the region The authors discuss the emergence of religious and cultural acceptance as well as some of the apparent resistance to this development as they explore the experiences of Buddhist Americans in the South and Jewish foodways Southern Crossroads also looks at distinct markers of religious identity and the role they play in gender politics ritual and violence The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching with its themes of blood sacrifice and atonement Southern Crossroads offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change Behold the Proverbs of a People Wolfgang Mieder, 2014-10-30 The thirteen chapters of this book comprise an intriguing and informative entry into the world of proverb scholarship illustrating that proverbs have always been and continue to be wisdom's international currency The first section of the book focuses on the field of paremiology proverb studies in general the spread of Anglo American proverbs in Europe and the phenomenon of modern proverbs The second section analyzes the use of proverbs in the world of politics including a chapter on President Obama while the third concentrates on the uses of proverbs in literature The final section ends with detailed cultural studies of the origin history dissemination use function and meaning of specific proverbs Noted scholar Wolfgang Mieder shows that proverbs matter in culture literature and politics Proverbs remain part and parcel of oral and written communication and he

demonstrates they deserve to be studied from a range of viewpoints While various chapters deal with a variety of issues and approaches they cohere through a rhetorical perspective that looks at the text texture and context of proverbs as speech acts that make a noteworthy impact on culture and society Whether proverbs appear in everyday speech on the radio on television in films on the pages of newspapers or magazines in advertisements in literary works or in political speeches they serve as formulaic verbal devices to add authoritative weight through tradition convention and wisdom George P. Knauff's Virginia Reels and the History of American Fiddling Chris Goertzen,2017-09-25 George P Knauff's Virginia Reels 1839 was the first collection of southern fiddle tunes and the only substantial one published in the nineteenth century Knauff's activity could not anticipate our modern contest driven fiddle subcultures But the fate of the Virginia Reels pointed in that direction suggesting that southern fiddling after his time would happen outside of commercial popular culture even though it would sporadically engage that culture Chris Goertzen uses this seminal collection as the springboard for a fresh exploration of fiddling in America past and present He first discusses the life of the arranger Then he explains how this collection was meant to fit into the broad stream of early nineteenth century music publishing Goertzen describes the character of these fiddle tunes names and such titles in general what we can learn about antebellum oral tradition from this collection and how fiddling relates to blackface minstrelsy Throughout the book the author connects the evidence concerning both repertoire and practice found in the Virginia Reels with current southern fiddling encompassing styles ranging from straightforward to fancy old time styles of the Upper South exuberant West Virginia styles and the melodic improvisations of modern contest fiddling Twenty six song sheets assist in this discovery Goertzen incorporates performance descriptions and music terminology into his accessible engaging prose Unlike the vast majority of books on American fiddling regional tune collections or histories this book presents an extended look at the history of southern fiddling and a close examination of current practices

More Kentucky Ghost Stories Michael Paul Henson,2000 Probably no section of the country can rightly claim more mystifying more intriguing or more enduring ghost stories and unexplained phenomena than Kentucky With this statement based on years of personal research and investigation the author presents his second collection of such tales from the Bluegrass State

Eck Robertson at the Crossroads of American Fiddling Chris Goertzen,2025-05-19 The Texas Panhandle's frontier days were fresh in memory when fiddler Eck Robertson 1887 1975 arrived Cowboys still worked on ranches in the 1910s but barbed wire fences abounded too Robertson pursued a continually evolving strategy to profit from the feverish transformation of living history into marketable nostalgia He adopted cowboy dress clothes for his first recording session in New York in 1922 and became known as a Famous Cowboy Fiddler His stubborn vision spawned traditional yet transformed Texas fiddling Robertson criticized other fiddlers because their playing was just the same thing over and over Robertson insisted that his fiddling his balance of cleaving to tradition while adding new content was the way of the future Author Chris Goertzen traces Robertson's story through detailed biography music transcriptions and careful

musical analysis Though Robertson struggled to attain consistent financial success as a performer he cultivated a varied repertoire that allowed him to balance offering the comfort of shared recollection with fresh excitement His biggest hit Sally Goodin was a game changer both as played live and as the very first country music recording With his undeniable talent and forward thinking Robertson took a musical practice that already had a broad reach and a distinguished history in a direction that would guarantee a niche in modern American culture *The Concise Garland Encyclopedia of World Music, Volume 1* Garland Encyclopedia of World Music,2013-01-11 The Concise Garland Encyclopedia of World Music comprises two volumes and can only be purchased as the two volume set To purchase the set please go to <http://www.routledge.com/9780415972932>

Review of Scottish Culture Alexander Fenton,Hugh (Ed) CHEAPE,Rosalind K. (Ed) MARSHALL,1990 **Folklife Annual** ,1985 *The Music of Bill Monroe* Neil V. Rosenberg,Charles K. Wolfe,2024-04-22 Spanning over 1 000 separate performances The Music of Bill Monroe presents a complete chronological list of all of Bill Monroe s commercially released sound and visual recordings Each chapter begins with a narrative describing Monroe s life and career at that point bringing in producers sidemen and others as they become part of the story The narratives read like a who s who of bluegrass connecting Monroe to the music s larger history and containing many fascinating stories The second part of each chapter presents the discography Information here includes the session s place date time and producer master matrix numbers song tune titles composer credits personnel instruments and vocals and catalog release numbers and reissue data The only complete bio discography of this American musical icon The Music of Bill Monroe is the starting point for any study of Monroe s contributions as a composer interpreter and performer [The Concise Garland Encyclopedia of World Music: Africa ; South America, Mexico, Central America, and the Caribbean ; The United States and Canada ; Europe ; Oceania](#) Ellen Koskoff,2008 The critical importance of past for the present of music histories in local and global forms asserts itself The history of world music as each chapter makes clear is one of critical moments and paradigm shifts [The Strad](#) ,1894

Fiddlers Philharmonic Andrew H. Dabczynski,Bob Phillips, At last the excitement of traditional folk fiddling can be experienced by your entire string orchestra Written by two renowned educators this fun and motivating collection of 16 cross cultural fiddle tunes is presented in a unique format that makes it perfect for players of any level or age Each tune includes a solo version followed by a 3 part arrangement for group performance Chord symbols for improvisation additional instruments guitar mandolin etc are also included [Dan Levenson's Master Collection of Old-Time Tunes](#) Dan Levenson,2023-10-19 Whether you already play old time music or you are just getting started this is the book for you Dan Levenson s Master Collection of Old Time Tunes presents more than 300 tunes in standard notation with suggested chords for you to explore and enjoy All but a few are traditional or older tunes and are easily searched online to discover their pedigree as well as several recorded versions of them Some might call this a complete repertoire in a book in the following sense It is a large though not encyclopedic collection of old time fiddle tunes played in today s sessions Learning the tunes in this book will give

you a solid old time repertoire that would allow you to join in jams in the many communities playing old time music today

Old Time Stringband Workshop for Mandolin Jane Keefer, Richard Weissman, Terry Prohaska, 2012-03-01 Old Time Stringband Workshop for Mandolin is one in a set of four books each with a matching collection of 40 traditional type fiddle tunes arranged to develop ensemble and jam session playing skills with other acoustic instruments as well as to expand your repertoire of tunes the music is presented in Notation and Tablature with annotations for playing techniques and variations A bonus arrangement of Star of the County Down is available as a free download See www.melbay.com 21765 *Mandolin Gold* Dan Fox, 2005-05-03 This wonderful collection of music for the mandolin includes bluegrass old time fiddle tunes classical music including the complete solo part for the Vivaldi mandolin concerto and the Canzonetta from Mozart's Don Giovanni American Irish Jewish Russian and Italian songs reels jigs hornpipes hymns and gospel songs minstrel songs patriotic blues and jazz children's songs and cowboy and country ballads This collection consists of over a hundred selections in standard music notation and TAB Lyrics for singing and chord symbols for optional accompaniment is included Also included are tremolo exercises a guide to fingering chord charts for guitar and mandolin the history of the mandolin and interesting comments about the history and performance of each song **The Fiddler's Almanac** Ryan J. Thomson, 1985 Includes a wealth of fiddling lore and illustrations a guide to buying a fiddle and bow tips on learning and playing the fiddle over 800 listings of books records fiddling and bluegrass organizations fiddling schools and camps violin making supplies films etc information about fiddle contests
