Twentieth-Century Shore-Station Whaling in Newfoundland and Labrador Anthony Bertram Dickinson, Chesley W. Sanger, 2005 Newfoundland and Labrador has a long history of commercial whaling beginning in the first half of the sixteenth century when Basque whalers established seasonal stations on the Labrador coast from which to hunt bowheads and North Atlantic right whales Anthony Dickinson and Chesley Sanger examine the region's modern shore station industry from its beginnings in 1896 to its peak catch season in 1904 through subsequent cycles of decline and revival until its enforced closure in 1972 by the federal government Modern shore station whaling on Canada's eastern shores developed with the spread of Norwegian dominated whaling from local areas where stocks that had been depleted by new hunting technologies to more productive locations in the North Atlantic and elsewhere Twentieth Century Shore Station Whaling in Newfoundland and Labrador adds to a growing number of regionally specific case studies that collectively illustrate the complex nature of the history of global whaling Dickinson and Sanger further demonstrate how participants in the industry were instrumental in developing other whaling initiatives including those in British Columbia      Architecture and Town Planning in Colonial North America James D. Kornwolf, Georgiana Wallis Kornwolf, 2002 Incorporating more than 3 000 illustrations Kornwolf's work conveys the full range of the colonial encounter with the continent's geography from the high forms of architecture through formal landscape design and town planning From these pages emerge the fine arts of environmental design an understanding of the political and economic events that helped to determine settlement in North America an appreciation of the various architectural and landscape forms that the settlers created and an awareness of the diversity of the continent's geography and its peoples Considering the humblest buildings along with the mansions of the wealthy and powerful public buildings forts and churches Kornwolf captures the true dynamism and diversity of colonial communities their rivalries and frictions their outlooks and attitudes as they extended their hold on the land      *Canadian State Trials, Volume I* Frank Murray Greenwood, Barry Wright, 1996-12-15 State trials reveal much about a nation's insecurities and shed light on important themes in political constitutional and legal history In Canada perceived and real threats to the state have ranged from dissent disaffection and the emergence of threatening ideologies to insurrection riot violent protest and military invasion The Canadian State Trials series will explore the role of the law in regulating such threats from the period of early European settlement to 1971 The first volume and the planned series as a whole present a great deal of new material by prominent Canadian historians and legal scholars Although certain Canadian political trials and security crises have received scholarly attention in the past there has never been a comprehensive and systematic examination of the country's surprisingly rich record in this area The eighteen essays in Volume I examine this record for the period 1608 1837 covering proceedings in New France the four Atlantic colonies the Old Province of Quebec and the two

Canadas They highlight security law during the American revolution the wars against revolutionary Napoleonic France and the War of 1812 comparative treason law and the trials of David McLane Robert Gourlay Francis Collins and Joseph Howe among others The essays which extensive use of primary sources the most illuminating of which appear in a documentary appendix place the examination of the law and its administration during these events in socio political and comparative context

Twentieth-century Newfoundland James Hiller, Peter Neary, 1994 Twentieth Century Newfoundland Explorations brings together ten papers by eight well known historians of Newfoundland and Labrador The papers address a wide variety of subject matter and open many avenues for further research The book concludes with an extensive bibliography on the Newfoundland and Labrador in the Twentieth century This bibliography is organized by topic and will serve the needs of the general reader and specialists alike Twentieth Century Newfoundland Explorations highlight the scope and complexity of present day writing about the history of Newfoundland and Labrador James Hiller Professor of History at Memorial University and author of a number of articles on Newfoundland in the Nineteenth and Twentieth Centuries Peter Neary Professor of History at the University of Weste Ontario and the author of Newfoundland in the North Atlantic World 1929 1949 1998

**Newfoundland in the Nineteenth and Twentieth Centuries** James Hiller, Peter Neary, 1980-12-15 The first comprehensive history of Newfoundland was published in 1793 but a centenary and a half passed before the first university course in the history of the island was offered there During the past fifteen years there has been growing activity in the subject This volume is the work of six scholars who have either studied or taught at the Memorial University of Newfoundland Some have done both The book has two broad aims First to point out the major themes of modern Newfoundland history currently being examined and to offer a number of new interpretations of economic and political development in the last two centuries Second to supplement the standard works that are readily available to students In some areas it provides additional details in others it bridges wide gaps The themes considered include an introduction to the writing of Newfoundland history the transition from the purely maritime economy of the nineteenth century to the mixed oceanic and inland resource economy of the twentieth and the difficulties this involved the decline of the traditional cod fishery in the nineteenth century Newfoundland s rejection of confederation in 1896 the limitations imposed by the fisheries agreements Britain negotiated with France and the United States the consequences of the decision to reject confederation and diversify the local economy the growth of the Fisherman s Protective Union the political atmosphere of the 1920s the party politics in the post confederation period and finally the collapse of Newfoundland s oldest industry the saltfish trade and the province s integration into the North American economy This is a book intended for both regional specialists and general students of Canadian history It provides a valuable resource about a province of rapidly growing importance

*Robert Edwards Holloway* Ruby Gough, 2005-02-07 Holloway was a scientist and innovative teacher who opened his classes to the public and kept up with current developments in science demonstrating new discoveries in public lectures For

a time College Hall at Methodist College later named Holloway School was the site for the production of X rays and their use for diagnosis and treatment by local doctors

**Ghost Stories of Newfoundland and Labrador** Edward Butts, 2010-09-27 Newfoundland and Labrador have tales of the supernatural that date back centuries and Edward Butts has collected some of their spookiest tales Here the ghosts lurk in old houses and forlorn cemeteries but they also come out of the sea and walk the decks of ships

**Lieutenant Owen William Steele of the Newfoundland Regiment** Owen William Steele, 2002 His diary ends twenty two months later on the eve of the Battle of the Somme at Beaumont Hemel a few days before his death

BOOK JACKET Dictionary of Newfoundland English W.J. Kirwin, G. M. Story, J.D.A. Widdowson, 1990-11-01 The Dictionary of Newfoundland English first published in 1982 to regional national and international acclaim is a historical dictionary that gives the pronunciations and definitions for words that the editors have called Newfoundland English The varieties of English spoken in Newfoundland date back four centuries mainly to the early seventeenth century migratory English fishermen of Cornwall Devon Dorset and Somerset and to the seventeenth to the nineteenth century immigrants chiefly from southeastern Ireland Culled from a vast reading of books newspapers and magazines this book is the most sustained reading ever undertaken of the written words of this province The dictionary gives not only the meaning of words but also presents each word with its variant spellings Moreover each definition is succeeded by an all important quotation of usage which illustrates the typical context in which word is used This well researched impressive work of scholarship illustrates how words and phrases have evolved and are used in everyday speech and writing in a specific geographical area The Dictionary of Newfoundland English is one of the most important comprehensive and thorough works dealing with Newfoundland Its publication a great addition to Newfoundlandia Canadiana and lexicography provides more than a regional lexicon In fact this entertaining and delightful book presents a panoramic view of the social cultural and natural history as well as the geography and economics of the quintessential lifestyle of one of Canada s oldest European settled areas This second edition contains a supplement offering approximately 1500 new or expanded entries an increase of more than 30 per cent over the first edition Besides new words the supplement includes modified and additional senses of old words and fresh derivations and usages

Vikings to U-Boats Gerhard P. Bassler, 2006-10-06 The first German arrived in Newfoundland with Leif Eirikson s Viking expedition By 1914 St John s was home to a vibrant German community while a Moravian enclave thrived in Labrador Contemporary Newfoundland however remembers its German heritage largely in terms of U Boat captains and local spies Gerhard Bassler reveals what was lost when almost all earlier memories of Germans in Newfoundland and Labrador vanished

**Urban and community development in Atlantic Canada, 1867-1991** , 1993-01-01 This book offers the first comprehensive overview of community development for the Atlantic Provinces The authors take a collaborative approach to their research question and contribute more than just a survey on urban development They also create a framework for understanding the relationship between the development of towns and cities in Atlantic Canada and

in other parts of the country Published in English **Canadian History: Confederation to the present** Martin Brook Taylor,Doug O'Wram,1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Foundations of Governance** Andrew Sancton,Robert A. Young,2009-07-03 Municipalities are responsible for many essential services and have become vital agents for implementing provincial policies including those dealing with the environment emergency planning economic development and land use In Foundations of Governance experts from each of Canada's provinces come together to assess the extent to which municipal governments have the capacity to act autonomously purposefully and collaboratively in the intergovernmental arena Each chapter follows a common template in order to facilitate comparison and covers essential features such as institutional structures municipal functions demography and municipal finances Canada's municipalities function in diverse ways but have similar problems and in this way are illustrative of the importance of local democracy Foundations of Governance shows that municipal governments require the legitimacy granted by a vibrant democracy in order to successfully negotiate and implement important collective choices about the futures of communities *History of the Book in Canada: 1840-1918* History of the Book in Canada Project,2004-01-01 This second of three volumes in the History of the Book in Canada demonstrates the same research and editorial standards established with Volume One by book history specialists from across the nation
