Nixon, 2003-06-01 You will soon be visually bumping into stories that have been parts of my life and vignettes about friends family and associates at the University where I worked Many are factual some needed or demanded embellishments different names and some needed variations in time and geographic locations Yes at times I resorted to fantasy and or fiction as resource materials If your name is included I hope to have had your approval If you have not been included then I am very sorry because you probably missed out on a lot of fun At this time I apologize to any administration the NCAA any entertainment agency or their clients I don't believe any real artists will be offended I try to ignore any politicians Love is found in most all sports great entertainers true friends and especially family members I thank the following people my mother and father a couple of aunts Faith Hope and Charity Flopsie Mopsie and Cottontail Several young women and especially my love and my wife the strong and resourceful Linda Here some applause should be included My son Jon and his wife Julie

The Olivet Discourse - The Mystery Revealed Thomas C. Nixon, 2003-06-10 This book came from experiences I have gone through in my Christian walk I became a Christian in 1993 and soon enough I came to know that if I were to enjoy my Christian life I had to renew my mind with the Word of God I also came to realize that the environment that I grew up in and the developed mind set over the years were directing how I related to God and His Word To a larger extent this was always in conflict with the Word of God I would get frustrated when my prayers were not answered how and when I wanted them to I would begin to ask myself questions such as Is God punishing me for something Did God really hear my prayers How did so and so receive what I have been asking for months But as I continued to study and mature in the Word of God things became clearer Sometimes a believer will struggle with questions but fear to ask them fearing being judged or presuming they are of little or no faith Throughout my ministry I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential I believe that all of us are capable of living a full life but misinterpretation of what is a full life creates frustration This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading I present truths in this book in a simple and understandable language without diluting the intended message I am currently the founding Pastor at God Our Rock International Church in Toronto Ontario Canada

Unlocking the Puzzle David Oliver Smith,2016-11-22 A shorter simpler first draft of the Gospel of Mark has been theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark s Gospel and discover the astounding design of the Original Gospel of Mark *Prophecy A-Z: The Complete Eschatological Dictionary* Bernie L. Calaway,2012 Ever tried on a God helmet Are there still prophets running around Will the world end before Christmas next year Surely you ve pondered such issues far into the lonely night Still there are moments when we wonder about that stuff But where is the solid and basic information to push us along Fear not Prophecy A Z is here to help you out As the subtitle pledges the book is complete eschatological and a dictionary of prophecy A letter by letter dictionary of prophetic terms from Aaron to Zwingli Sixty essays covering the most complex end times concepts Healthy doses of history philosophy and apocalyptic shop talk It s handy it s thorough it s essential for every interested lay reader Bible scholars and clergy professionals **End-Time Prophecies Revealed** Dr. Jimmy Poon,2017-07-04 Jesus Christ is returning very soon In this book Dr Poon uses thoughtful exegesis to unlock the end time prophecies that have been sealed until now He explains how the Bible predicted the World Wars the Cold War and the current Syrian crisis He reveals the scriptural passages that hold prophecies to be fulfilled in our lifetime The antichrist is poised on the world stage The current governments in Iraq and Syria will be toppled Terrorism war extensive

famine and deadly epidemics will dominate a quarter of the earth in the next three years A ten nation Islamic Alliance will rise leading up to 2022 when a Middle East peace treaty will be signed End Time Prophecies Revealed helps you understand Daniel and Revelation decoding mysteries like 666 and the beast Above all this book shows how you can escape the coming apocalyptic catastrophes The Making of a Disciple Kenneth S. Todd Jr.,2015-07-27 In the Great Commission found in Matthew 28 19 20 Jesus said Go therefore and make disciples of all nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I have commanded you and lo I am with you always even to the end of the age The two questions each believer must ask are What constitutes being a disciple of Jesus And am I really striving to be the disciple Jesus wants in His followers The purpose of this book is to address certain key issues that a Christian should be fully acquainted with if he or she is to be an obedient disciple and observe what Jesus commanded The Son Cometh Volume II Brian D. Baldemor,2024-12-15 From the rise of Herod ca 44 BCE to the destruction of Jerusalem 70 CE The Son Cometh is an exegetical systematic and historical study chronicling several religious and political strands central to the life and ministry of Jesus Christ As an exposition of the Christian faith this work not only apologetically and evangelistically endeavors to provide the reader with the historical context and approximate timeline for the writing of the New Testament canon e g the Synoptic Gospels John Acts Revelation and other apostolic epistles but also a background to the Law and Prophets as foreshadows and types leading up to the fullness of time including extensive references and citations of other Jewish Roman and Christian primary sources e g Philo Josephus and Eusebius Daniel Eleven Mysteries Gordon Ziegler,2014-01-22 Some prophecies like Daniel 2 for the most part have been well understood by God's people for hundreds of years Daniel 11 is different Though the symbols are thrown off in that prophecy and the angel prophesies in plain language the prophecy has been more difficult because so many applications have presented themselves to scholars and it has not been clear which application is correct That is particularly true of the last verses of Daniel 11 The author has solved that problem by making all of the applications correct one after another in a sequence He finds there are more applications of the last verses of Daniel 11 than of any other known prophecy of scripture seven No wonder the prophecy has been intractable so long The author does careful exegesis and develops an unparalleled hermeneutic base for accurate interpretations 24 hermeneutic principles The research is not fruitless or moot because several earth shaking results are brought to view Ellen White points out the truth that the promises and threatenings of God are alike conditional 1SM 67 If the conditions were right any of the last day prophecies could be shortened by a Revelation 11 15 19 experience Then let not the reader become irrevocably fixed on the scenario of events in this book Prophecy will still be fulfilled no matter how events come to pass And the 24 hermeneutic principles will hold true regardless The reader will recognize the truth of the prophecies however they are fulfilled God bless the reader as he she reads and attempts to digest this book May you learn from it precious things showing the nearness of the coming of Jesus Amen **Interpreting Revelation and Other Apocalyptic Literature C.**
