*The Other Side* Laci Cooper, 2025-04-30 After her young son Rhet was diagnosed with cancer Laci's faith was tested in unimaginable ways Growing up in church and having a foundation of faith she only thought she trusted in God Following a series of devastating setbacks and seemingly unanswered prayers is when she chose to dig deeper in her faith and was challenged to trust God more than ever despite every obstacle they faced Standing on a promise from God Laci and her husband Robbie were met with a life or death decision for Rhet From the darkest of valleys to the mountaintop moments and the many pit stops along the way this story chronicles the journey from surface level faith to surrendering all control and allowing God to do what only He could making a way when there truly seemed to be no way

Experience a front row seat as Laci gives a deeply personal account of the fears their family faced as well as her own haunting battles with doubt fear anxiety and more Through vulnerable conversations with her readers she shines light into the dark places she has walked through and encourages others with how she has witnessed God s faithfulness Be inspired as Rhet courageously triumphed over disease despite all odds and now glorifies God through his testimony of healing and restoration Taking what the enemy meant for harm and turning it for good his journey has opened doors for their family to spread hope to others affected by pediatric cancer through Rhet Cooper s Miracle **The Man of the East Global**

**Constitution World Under One Rule** M. T. Abraham,2005 **The Return of Bowie Bravo** Christine Rimmer,2025-02-11

Well timing never had been his strong suit And the fact that Bowie Bravo walked in the door after seven years away just when Glory Rossi was about to go into labor with another man s child certainly proved the point Because the last time Glory had seen Bowie was when she was delivering his child a little boy who d never known his real father But according to Bowie that was about to change Bowie was now a respectable businessman and he was more than ready to be a father to both of Glory s children He was also ready to be a husband to the woman he d never been able to live without And when he saw that their feelings for each other still burned bright he didn t see any reason why he d have to **The Works of Thomas**

of love as you ponder the questions He Loves Me He Loves Me Not He Loves Me You will return again and again to Seeds of Poetic Healing Reading Between the Lines This book is exhilarating thought provoking and above all a spiritual exhortation of the gift God has planted inside the author Isis Imani Sanders *The Other Side of Faith* Diegon Kares,2023-11-17 My motive for writing this book is to encourage the 30 percent of genuine Bible reading believers to stand fast and on the word of God Galatians 5 1 And to also encourage vigorously the 70 percent of nonreading Bible Christians to take the further step of faith to realize the fuller revelation and benefits of salvation like in Isaiah 61 1 7 and Isaiah 58 for example For without this next step of faith mountains would not come down obstacles will not be removed and onlookers will continue to look at Christianity as weak and lean My working continuously from fifteen as a schoolteacher to now at seventy as a substance abuse counselor pastor child support specialist workshop instructor proved it to me Delivered from twenty five years of alcoholism and its detriments proved it to me Living unscathed with dangerous criminals in seven correctional facilities including Rikers Island proved it to me Watching individuals in prison threaten to kill me and beat Jesus out of my and then became my friend proved it to be so Delivered from low self esteem and clinophobia proved it to be so Going for 1 percent in math to graduating magna cum laude at forty four proved it to be so Working on Wall Street for twenty years in and out of the mix unscathed proved it be so Delivered from two cancers without surgeries and be handsomely paid proved it to be so Having enormous peace and security and hope in Christ proves it to be so Watching all of my bills disappear by standing and applying the word of God as Joshua 1 8 states proves it to be so As one inmate counselor once told me Christianity works for those who work it not for those who don t take the time to prove it so Jesus Christ said this to be true and I believe it because it works for me and followers like me with no regrets in every situation of life The Other Side of Forgiveness Laura L. Groves,2023-03-16 Living with suppressed emotional wounds and unforgiveness is detrimental to a life of wholeness freedom and peace For Laura Groves her transparent journey to The Other Side of Forgiveness was marred with mistakes and hindrances Sustained solely by God s grace she found release from the guilt and shame she had unknowingly carried most of her life Study questions are included for personal reflection or study groups *The Other Side of the Cross* Harold D. Dunckel,2019-02-15 If you know God but seem to lack His power and strength elementary things could be getting in the way Jesus in His teaching spoke of this Men do not put new wine into old wineskins otherwise the wineskins burst Matt 9 16 17 Learn what these elementary things are and how they hinder your life with God See how they can be removed and replaced with better things Know the depth and richness of the born again stage Know how it feels to live in the overcoming stage Enjoy life in the ruling stage Be crowned with life in the heavenly stage The Other Side of Sin Andrew Sung Park,Susan L. Nelson,2012-05-21 The good news of Jesus Christ is for both sinners and the sinned against For the past two thousand years Christian theologians have focused on the experience of sinners but treated their victims inadequately To counterbalance this perspective a diverse group of Christian scholars consider sin from the other side To make sense of

Christianity from this standpoint they offer a more complex and comprehensive analysis of human participation in evil and its reconciliation than the simple formula of sin and repentance The Other Side of Sin is an original fresh and exciting adventure into one of the most needed areas of theological thinking     The Other Side of the Sermon John Rutledge, 2013-04 The Other Side of the Sermon arose from years of blindly following a faith that turned out to be inadequate for the challenges and opportunities of the real world One event the death of my wife at forty three and the difficulties that followed opened my eyes and set me to a search for answers And I found them They had been there all along but I had never heard them from a pulpit or in a Sunday school class or read them in any religious publication The answers were practical They were not the touchy feely sweetness and light that give goose bumps to the gullible they were tough workable necessary tools for living Christ the supreme pragmatic did not intend that his followers be fools or fooled Yet I had been both Confronting admitting and reversing that took time Three years of writing exposed my fallacious faith and more than twenty years of practicing those writings have left me with one regret that I could not have read the book instead of writing it We think of religion as a collection of dos and don ts rules by which we justify our behavior to ourselves to others and perhaps even to God Preachers tell us what we must do and what we must not do And yet Christ told his audiences what they did not have to do and of the discretionary that allowed interpretation Freedom from the have tos and the release to enjoy the whatever you want tos produced a contented guilt free existence in which I could ignore tradition disregard the opinions of others and serve worship and live in freedom I met the practical Christ I had never known If in these pages you meet him too twenty five years will have been well spent
