Slanguage Americas Second Language:

Pragmatics of Chinese as a Second Language Shuai Li, 2023-11-14 This book brings together a collection of high quality empirical studies which examine multiple aspects involved in the acquisition teaching and assessment of pragmatics in Chinese as a second language L2 The studies collectively address some of the most cutting edge issues in the field of L2 pragmatics such as the acquisition of key pragmatic features methodological innovations in pragmatics assessment individual difference factors and virtual learning contexts The majority of the chapters include detailed descriptions of the instruments used and additional material in the appendices making it a truly valuable collection for researchers and students alike Furthermore the publication includes the most comprehensive state of the art review of empirical research in L2 Chinese pragmatics published bilingually in English and Chinese between 1995 and 2022 along with a supplemental annotated bibliography While the empirical studies all focus on Chinese as the target language the issues they address have implications for L2 pragmatics research in general and this book will appeal to those interested in the latest developments in the field

American Language Supplement 2 H.L. Mencken, 2012-04-04 The DEFINITIVE EDITION OF The American Language was published in 1936 Since then it has been recognized as a classic It is that rarest of literary accomplishments a book that is authoritative and scientific and is at the same time very diverting reading But after 1936 HLM continued to gather new materials diligently In 1945 those which related to the first six chapters of The American Language were published as Supplement I the present volume contains those new materials which relate to the other chapters The ground thus covered in Supplement II is as follows 1 American Pronunciation Its history Its divergence from English usage The regional and racial dialects 2 American Spelling The influence of Noah Webster upon it Its characters today The simplified spelling movement The treatment of loan words Punctuation capitalization and abbreviation 3 The Common Speech Outlines of its grammar Its verbs pronouns nouns adjectives and adverbs The double negative Other peculiarities 4 Proper Names in America Surnames Given names Place names Other names 5 American Slang Its origin and history The argot of various racial and occupational groups Although the text of Supplement II is related to that of The American Language it is an independent work that may be read profitably by persons who do not know either The American Language or Supplement I

Slanguage Gibson Carothers, The American Language Henry Louis Mencken, 1945 *Handbook of Teaching and Learning Persian as a Second Language* Hooman Saedi, 2025-09-26 This collection explores relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian this handbook provides empirically supported insights into various aspects of these areas While the literature on teaching and learning Persian is growing the field lacks a cohesive collection on Persian as a foreign second language The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian

It also covers the teaching of Persian pragmatics the use of corpora as well as a range of different areas within linguistics including phonetics prosody and historical linguistics This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades A must have text in Persian language pedagogy and Persian sociolinguistics it an essential book for those in teaching and learning in Persian language programs worldwide The Cambridge History of the English Language: English in North America Richard M.

Hogg,Norman Francis Blake,John Algeo,R. W. Burchfield,1992 The volumes of The Cambridge history of the English language reflect the spread of English from its beginnings in Anglo Saxon England to its current role as a multifaceted global language that dominates international communication in the 21st century **A Study Guide for H. L. Mencken's "The American Language"** Gale, Cengage Learning,2016 **American Language Supplement 1** H.L. Mencken,2012-02-08

Perhaps the first truly important book about the divergence of American English from its British roots this survey of the language as it was spoken and as it was changing at the beginning of the 20th century comes via one of its most inveterate watchers journalist critic and editor HENRY LOUIS MENCKEN 1880 1956 In this replica of the 1921 revised and enlarged second edition Mencken turns his keen ear on the general character of American English loan words and non English influences expletives and forbidden words American slang the future of the language and much much more Anyone fascinated by words will find this a thoroughly enthralling look at the most changeable language on the face of the planet

American Language H.L. Mencken,2012-01-04 The American Language first published in 1919 is H L Mencken s book about the English language as spoken in the United States Mencken was inspired by the argot of the colored waiters in Washington as well as one of his favorite authors Mark Twain and his experiences on the streets of Baltimore In 1902 Mencken remarked on the queer words which go into the making of United States The book was preceded by several columns in The Evening Sun Mencken eventually asked Why doesn t some painstaking pundit attempt a grammar of the American language English that is as spoken by the great masses of the plain people of this fair land It would appear that he answered his own question In the tradition of Noah Webster who wrote the first American dictionary Mencken wanted to defend Americanisms against a steady stream of English critics who usually isolated Americanisms as borderline barbarous perversions of the mother tongue Mencken assaulted the prescriptive grammar of these critics and American schoolmarm arguing like Samuel Johnson in the preface to his dictionary that language evolves independently of textbooks The book discusses the beginnings of American variations from English the spread of these variations American names and slang over the course of its 374 pages According to Mencken American English was more colorful vivid and creative than its British counterpart **African American Slang** Maciej Widawski,2015-03-05 In this pioneering exploration of African American slang a highly informal vocabulary and a significant aspect of African American English Maciej Widawski explores patterns of form meaning theme and function showing it to be a rule governed innovative and culturally revealing vernacular Widawski s
