[The Best Thigh Exercises: 10 Days to Thinner, Stronger, & Sexier Legs](#) Erica Romer, 2012-04-28 ABOUT THE BOOK Want to get a leg up on the world Look no further than your lower body The leg muscles which consist of the quadriceps glutes and hamstrings along with the calves

and shins are the largest muscle group in the human body according to Livestrong.com a partner of the Lance Armstrong Foundation. When it comes down to it, the legs, particularly the thighs, are what give the body its mojo, its momentum, its power, not to mention its sex appeal, hence the reason you need to keep them in tip-top prime condition. Women are meant to be leggy. It's in our blood, our DNA, our genes, and as science has shown, directly relates to our overall beauty quotient. So how does one go about slimming, strengthening, and sculpting all by next week? That's where Erica Romer comes in. She's here to dish you the meat of it: how to get ripped, righteous legs in just a mere 10 days. Impossible? Think again. With the help of this guide and some tips from Romer, you'll have sexier, smokin' legs in no time, guaranteed.

**MEET THE AUTHOR** Erica Romer is a multimedia journalist with a decade of experience spanning print, broadcast, and electronic platforms. A magazine editor of three award-winning publications, including the country's leading beauty magazine, Erica is a quintessential authority on the art, science, and study of beauty as a culture in and of itself. She has interviewed countless experts in the aesthetic, anti-aging, medical, and fitness realms, as well as the very plastic surgeons, cosmetic dermatologists, and aesthetic dentists responsible for giving Hollywood starlets their famous assets, if you will. A reporter at heart, Erica has interviewed the founding fathers and mothers of the beauty world, seeking out the industry's frontrunners to ensure her stories are medically sound, scientifically accurate, and most of all, cutting-edge. Her works have taken her as far as the United States Department of Agriculture for a story about organic beauty, as well as the White House during a Marine One launch of President George W. Bush and his daughter Barbara back in her days as a reporter. Erica's most rewarding experience to date, however, was the personal accomplishment of completely transforming her body composition with the help of a personal trainer and a regimented diet and exercise program. Erica lost a whopping 10 percent of her body weight, giving her a greater glimpse into the health-beauty connection and making her profession as a beauty/fitness writer even more personal. She shares the celebrity secrets, tips, and tricks she used firsthand to help readers change not just their figures but their lives, as well. If you're looking to tighten, tone, and transform by Friday, then Erica's latest ebook, *The Best Thigh Exercises: 10 Days to Thinner, Stronger*, your muscles will fire, your flexibility and mobility will increase, and you'll loosen up the joints, tendons, and tissues, priming them for higher intensity.
